Subject: Disbursement Requirement: Registration with Secretary of State's Office
Date: Thursday, November 10, 2022 12:14:31 PM

Hello,

In order to process disbursements, it is a requirement for receiving organizations to register with the South Carolina Secretary of State's ("SOS") Office. This includes political subdivision ("PSD") receivers. PSD's after registering with the SC SOC's Office may either receive a registration or a registration exemption (*since they are a governmental entity subject to FOIA*). Therefore, if the:

Receiving organization has not registered or obtained an exemption from the SC SOS's office:

The receiving organization should follow the link below to complete registration or to request a registration exemption. If selecting a registration exemption, local PSDs would select exemption A(6). There is no filing fee for this application.

[Before You File Online | SC Secretary of State](#)

Upon registration or approval of the registration exemption, the receiver will receive a confirmation letter from the SC SOS's office via email. Please provide a copy of the confirmation letter to the SC Treasurer's Office so we can include it with the disbursement request.

-
Receiving organization has a registration on file with the SC SOC's Office or if a registration exemption has been granted by the SC SOC's Office:

Please use the following link to obtain confirmation of your registration or exemption:

<https://search.scsos.com/charities>

An organization that is currently registered will have a status that says "registered." An organization that is currently exempt from registration will have a status that says "exempt." Please provide a copy of the webpage showing your status to the SC Treasurer's Office so we can include it with the disbursement request.

Thank you,
Meg

Please explain how these funds will be used to provide a public benefit:

In 2008 the Calhoun County School District began the process of removing many of its middle and elementary facilities while building two brand new K-8 structures. One of the facilities to be torn down was the old John Ford Middle School (which had earlier been a high school as well). The unique history of this particular school and its deep importance to Calhoun County's African-American Community led to the School District donating this site to the County instead of tearing it down. The hope was that a modern, true "Community Center" could be realized and that the heritage of this location would be forever protected.

Hi Tyrone,

I apologize for the delay in response. I have been out of the office.

You are correct there should be three separate request forms. One for each allocation for Calhoun County.

If you have any additional questions, please do not hesitate to reach out.

RE: State Appropriated Contributions, FY 22-23 Reporting Requirements

Dear John McLauchlin:

The State of South Carolina Fiscal Year 2022-2023 Appropriations Act provides the revenue for State government to meet its budgetary expenses. This year's Act included allocations to the Office of the State Treasurer (STO) reserved as one-time appropriations for contributions to outside organizations. The amount below indicates the funds which have been allotted in our agency's budget for your organization.

<u>Organization receiving appropriated funds:</u>	<u>Amount</u>
Calhoun County Beautification -Calhoun County	\$35,000.00
John Ford Community Center - Calhoun County	\$76,295.00
St. Matthews Railroad Beautification - Calhoun County	\$95,000.00

Budget Proviso 117.21 outlines reporting requirements for recipients of appropriated contributions. In addition, please note that Section 11-9-110 of the South Carolina Code requires that you agree to be audited by the State Auditor. (A copy of these applicable laws is attached for your convenience.)

Please see enclosed Excel workbook for data we must collect to be able to disburse these funds. This initial report, along with other information as detailed within the Instructions, must be submitted in electronic format to STO prior to funds being dispersed. After the funds have been dispersed, you must also file quarterly reports in addition to a year-end report with STO by **June 30, 2023** via a format to be provided prior to that date. Your submissions will be forwarded to the Chairman of the Senate Finance Committee, the Chairman of the House Ways and Means Committee, and the Executive Budget Office by the STO. Per Governor McMaster's Executive Order, any and all reports, accountings, forms, updates, communications, or other materials required by Proviso 117.21 will be made available for public review and inspection on the STO website.

Please note that to be paid by the State of South Carolina, you must be a registered vendor of the State. If you are not already a registered vendor, please see <https://procurement.sc.gov/doing-biz/registration> to complete this required task. Once known, please ensure you include your State of SC vendor number on the enclosed Earmarked Appropriations Disbursement Request form when you return it to the STO.

Should you have any questions or concerns, please do not hesitate to email the Division of Treasury Management at STO.Appropriated.Contributions@sto.sc.gov. We look forward to working with you.
