Meg:

We completed the registration process through the Secretary of State and received the attached letter reflecting such. I believe this is the final document needed in order to process payment for allocations from the State that are being handled by the State Treasurers Office. Please confirm that is an accurate understanding and provide an indication of when the funds will be provided to the City, in order to allow us to plan properly for each project.

Thanks

Hi Kyle,

I apologize for the delay in response.

Currently I have received two of the three forms for the City of Columbia. I am missing the one for Beltline Blvd Community Enhancements.

The City of Columbia is also not registered with the Secretary of State's ("SOS") Office at this time, but I just sent an email to Missy Caughman a few minutes ago in regards to it. I also provided her with contact information for SOS staff in case assistance was needed with registering.

I also called Missy Gentry to discuss what was still needed and left a voicemail.

I am working through the group of submissions I have received to date and plan to provide management with what has been submitted for review and approval this week. If they are approved and all necessary registrations are completed, I hope to have payments processed next week. I looked up the vendor number that was provided to be for City of Columbia (7000091006), and it shows that the payment will be sent electronically.

If there is any additional assistance I can provide, please do not hesitate to reach out.

Hi Missy and Carol,

When I was verifying the vendor number you listed on your request forms, I noticed that the address was different than what you listed on your form. The tax ID listed with vendor number 7000091006 is 57-6000229. I looked to see if there was a different vendor number that used that tax ID and the address you listed and found vendor number 7000202981. I checked and both vendor numbers are set up to receive ACHs and use the same bank account number. At this time, I plan to use vendor number 7000202981 when we process payment. Please let me know if there would be any issue with using that vendor number. I have also included screen shots below for reference.

Thank you so much for this update. We will get you the information for Beltline Boulevard Community Enhancements ASAP.

The Secretary of State registration has been a little confusing, not just for us, but for all local governments receiving budget earmarks. When you click through the link to register with the Secretary of State, the only options you have are filing as a charity, a raffle or a professional fundraiser. Obviously, the City of Columbia is not any of these. If you have any good intel on how the City is supposed to register with the Secretary of State other than through the link below, can you let us know?

Hi Missy,

I do not believe there is another option, but I can double check. Below is what I received from the Comptroller General's Office earlier this fiscal year in regards to cities, towns, and counties registering with the Secretary of State.

"Over the past couple of weeks, we have received several inquiries concerning the need for political subdivision ("PSD") receivers to have registered with the South Carolina Secretary of State's ("SOS") Office prior to disbursement of funds.

Remember, Proviso 118.19(D) states *"For purposes of item (B)(78) and **all items** thereafter, funds shall not be disbursed until verification that receiver's organization is registered as a business, nonprofit, or charitable organization with the South Carolina Secretary of State's office."*

After discussion with the SOS's Office, PSD's do register with the SC SOC's Office and may either receive a registration or a registration exemption (*since they are a governmental entity subject to FOIA*)."

I have included the contact information for two individuals from the SOS Office that would be able to assist with any questions regarding registering with the SOS.

Kim Wickersham, CPM, Director, Public Charities Division of the SC SOS's Office at (803) 734-2174 or kwickersham@sos.sc.gov

Shannon Wiley, General Counsel & Public Information Director of the SC SOS's Office at (803) 734-0246 or swiley@sos.sc.gov

I will let you know if I hear anything different about registering with the SOS.

In order to process disbursements, it is a requirement for receiving organizations to register with the South Carolina Secretary of State's ("SOS") Office. This includes political subdivision ("PSD") receivers. PSD's after registering with the SC SOC's Office may either receive a registration or a registration exemption (*since they are a governmental entity subject to FOIA*). Therefore, if the:

Receiving organization has not registered or obtained an exemption from the SC SOS's office:

The receiving organization should follow the link below to complete registration or to request a registration exemption. If selecting a registration exemption, local PSDs would select exemption A(6). There is no filing fee for this application.

Upon registration or approval of the registration exemption, the receiver will receive a confirmation letter from the SC SOS's office via email. Please provide a copy of the confirmation letter to the SC Treasurer's Office so we can include it with the disbursement request.

Receiving organization has a registration on file with the SC SOC's Office or if a registration exemption has been granted by the SC SOC's Office:

Please use the following link to obtain confirmation of your registration or exemption:

An organization that is currently registered will have a status that says "registered." An organization that is currently exempt from registration will have a status that says "exempt." Currently I have received two of the three forms for the City of Columbia. I am missing the one for Beltline Blvd Community Enhancements.

Meg:

The City of Columbia is my client at the State House. On October 28, we sent you the paperwork for the City's three projects to be funded with the reprogrammed Convention Center funds that are coming through your office.

I'm just checking on when you think the City might see the funds for these projects and also confirming that the funds will come by wire transfer.

I appreciate any information you can give us.

Thanks!

Hi Missy,

I do not believe there is another option, but I can double check. Below is what I received from the Comptroller General's Office earlier this fiscal year in regards to cities, towns, and counties registering with the Secretary of State.

"Over the past couple of weeks, we have received several inquiries concerning the need for political subdivision ("PSD") receivers to have registered with the South Carolina Secretary of State's ("SOS") Office prior to disbursement of funds.

Remember, Proviso 118.19(D) states *"For purposes of item (B)(78) and **all items** thereafter, funds shall not be disbursed until verification that receiver's organization is registered as a business, nonprofit, or charitable organization with the South Carolina Secretary of State's office."*

After discussion with the SOS's Office, PSD's do register with the SC SOC's Office and may either receive a registration or a registration exemption (*since they are a governmental entity subject to FOIA*)."

I have included the contact information for two individuals from the SOS Office that would be able to assist with any questions regarding registering with the SOS.

Kim Wickersham, CPM, Director, Public Charities Division of the SC SOS's Office at (803) 734-2174 or kwickersham@sos.sc.gov

Shannon Wiley, General Counsel & Public Information Director of the SC SOS's Office at (803) 734-0246 or swiley@sos.sc.gov

I will let you know if I hear anything different about registering with the SOS.

Hello,

The State of South Carolina Fiscal Year 2022-2023 Appropriations Act provides the revenue for State government to meet its budgetary expenses. This year's Act included allocations to the Office of the State Treasurer (STO) reserved as one-time appropriations for contributions to outside organizations. Your organization was selected as one of those outside organizations. I have attached 2 files as part of your enrollment packet. Please read the Appropriated Funds Cover Letter first. There you will find important information regarding FY 2022-2023 reporting requirements and guidance on how to complete the Earmarked Appropriations Disbursement Request form.

In order for funds to be disbursed to your organization, you will not only need to submit the Earmarked Appropriations Disbursement Request form but also be registered as a vendor with the State of South Carolina. If you do not have a vendor number, please use the link below to access new vendor registration. If you need to update your vendor information you may also do that from the link below.

<https://procurement.sc.gov/doing-biz/registration>

Once you receive your vendor number or if you already have a vendor number, please include it on the Earmarked Appropriations Disbursement Request form in the "Vendor #" section.

All completed forms should be submitted to the STO - Appropriated Contributions email address listed below.

STO.Appropriated.Contributions@sto.sc.gov

In accordance with Executive Order 2022-19, STO is required to promptly make available for public review and inspection on our website any and all reports, accountings, forms, updates, communications, or other materials required by Proviso 117.21. Below is the link to where the information will be available on our website.

RE: State Appropriated Contributions, FY 22-23 Reporting Requirements

Dear Missy Gentry:

The State of South Carolina Fiscal Year 2022-2023 Appropriations Act provides the revenue for State government to meet its budgetary expenses. This year's Act included allocations to the Office of the State Treasurer (STO) reserved as one-time appropriations for contributions to outside organizations. The amount below indicates the funds which have been allotted in our agency's budget for your organization.

<u>Organization receiving appropriated funds:</u>	<u>Amount</u>
Belvedere Neighborhood Flood Mitigation	\$3,000,000.00
Bluff Rd and Atlas Rd Area Improvements	\$4,000,000.00
Beltline Blvd Community Enhancements	\$2,000,000.00

Budget Proviso 117.21 outlines reporting requirements for recipients of appropriated contributions. In addition, please note that Section 11-9-110 of the South Carolina Code requires that you agree to be audited by the State Auditor. (A copy of these applicable laws is attached for your convenience.)

Please see enclosed Excel workbook for data we must collect to be able to disburse these funds. This initial report, along with other information as detailed within the Instructions, must be submitted in electronic format to STO prior to funds being dispersed. After the funds have been dispersed, you must also file quarterly reports in addition to a year-end report with STO by **June 30, 2023** via a format to be provided prior to that date. Your submissions will be forwarded to the Chairman of the Senate Finance Committee, the Chairman of the House Ways and Means Committee, and the Executive Budget Office by the STO. Per Governor McMaster's Executive Order, any and all reports, accountings, forms, updates, communications, or other materials required by Proviso 117.21 will be made available for public review and inspection on the STO website.

Please note that to be paid by the State of South Carolina, you must be a registered vendor of the State. If you are not already a registered vendor, please see <https://procurement.sc.gov/doing-biz/registration> to complete this required task. Once known, please ensure you include your State of SC vendor number on the enclosed Earmarked Appropriations Disbursement Request form when you return it to the STO.

Should you have any questions or concerns, please do not hesitate to email the Division of Treasury Management at STO.Appropriated.Contributions@sto.sc.gov. We look forward to working with you.
