**Please explain how these funds will be used to provide a public benefit:**

Despite the ongoing efforts of school systems and the community at large, many youth today are venturing down paths that are likely to lead in negative outcomes. Unfortunately, these outcomes are kindred to juvenile delinquent behaviors, school truancy, failing grades, low self-image, damaged self-esteem, decreased self-worth and an array of situational circumstances that could prove traumatic to the lives of these youth, their families and the community. With the help of our community and through the utilization of The Greater Waverly Foundation, our Village Initiative Center proposes to facilitate a highly impactful Homework, Tutoring and Mentoring Program that can change the trajectory of a child's life. Our mentors offer sound, proven advice, provide academic support and life-skills training that will help young people navigate challenges. Through our partnerships with various youth and family centered nonprofit organizations, our Village Initiative Center will host academic tutoring and remediation, Summer and Spring Break leadership camps, leadership and life-skills training programs, and career and work-readiness opportunities. With the support of our community and the engagement of youth, our homework, tutoring and mentoring center will be a proactive force within the community, providing impactful services to youth and their families while reducing negative outcomes among youth in our community and producing more well-rounded, positive productive citizens.
