Please explain how these funds will be used to provide a public benefit:

North Charleston SC Youth Resistance Inc (NCSCYRI) is currently working on reducing youth gun violence and violent injuries by viewing it as a public health issue. Our community-based violence prevention and intervention program will provide wrap around service to our participants, which are youth and young adults who reside in underserved communities, where gun homicide are 4 times higher than white neighborhoods. Our Street Outreach approach will tackle this problem and help to mediate and save those who are at risk of gun violence and violent related injuries. Our community based violence interceptors will provide mentorship to our participants who have had similar experience and lived a life similarly to theirs. They will be able to relate and provide one on one guidance to help them adapt to a safer lifestyle and way of thinking. This would further help to reduce retaliation shooting and violent recidivism. As an organization, NCSCYRI aim to provide nonstop, wrap around services to all our participant by helping them with employment/training opportunities, transportation to access health care, financial assistance for medical expenses and basic daily needs, therapy, education, and personalized resources, etc. Our objective will be to decrease the overall crime rate and increase overall public safety, decrease the overall recidivism rate among juvenile and young adult offenders, decrease the overall number of juvenile and young adults committed to correctional facilities, increase parent involvement, and increase graduation rates.

RE: State Appropriated Contributions, FY 22-23 Reporting Requirements

Dear Donnimechia Singleton:

The State of South Carolina Fiscal Year 2022-2023 Appropriations Act provides the revenue for State government to meet its budgetary expenses. This year's Act included allocations to the Office of the State Treasurer (STO) reserved as one-time appropriations for contributions to outside organizations. The amount below indicates the funds which have been allotted in our agency's budget for your organization.

<u>Organization receiving appropriated funds:</u>	<u>Amount</u>
North Charleston SC Youth	\$50,000.00

Budget Proviso 117.21 outlines reporting requirements for recipients of appropriated contributions. In addition, please note that Section 11-9-110 of the South Carolina Code requires that you agree to be audited by the State Auditor. (A copy of these applicable laws is attached for your convenience.)

Please see enclosed Excel workbook for data we must collect to be able to disburse these funds. This initial report, along with other information as detailed within the Instructions, must be submitted in electronic format to STO prior to funds being dispersed. After the funds have been dispersed, you must also file quarterly reports in addition to a year-end report with STO by **June 30, 2023** via a format to be provided prior to that date. Your submissions will be forwarded to the Chairman of the Senate Finance Committee, the Chairman of the House Ways and Means Committee, and the Executive Budget Office by the STO. Per Governor McMaster's Executive Order, any and all reports, accountings, forms, updates, communications, or other materials required by Proviso 117.21 will be made available for public review and inspection on the STO website.

Please note that to be paid by the State of South Carolina, you must be a registered vendor of the State. If you are not already a registered vendor, please see <https://procurement.sc.gov/doing-biz/registration> to complete this required task. Once known, please ensure you include your State of SC vendor number on the enclosed Earmarked Appropriations Disbursement Request form when you return it to the STO.

Should you have any questions or concerns, please do not hesitate to email the Division of Treasury Management at [STO.Appropriated.Contributions@sto.sc.gov](mailto:STO.Appropriated.Contributions@sto.sc.gov). We look forward to working with you.

Sincerely,
