Hey Tyler,

The report you used for the amphitheater is the correct one for the funds received in FY22. The template that was sent in December is for the FY23 funds. The way you submitted your forms is correct.

I did notice two things on your FY23 quarterly reports. They both are marked for Q1, but they should be for Q2. If you had any expenses occur in Q1 (7/1-9/30) then they should be listed in the Q1 column and any expenses for Q2 (10/1-12/31) should be in the Q2 column.

Hey Tyler,

The report you used for the amphitheater is the correct one for the funds received in FY22. The template that was sent in December is for the FY23 funds. The way you submitted your forms is correct.

I did notice two things on your FY23 quarterly reports. They both are marked for Q1, but they should be for Q2. If you had any expenses occur in Q1 (7/1-9/30) then they should be listed in the Q1 column and any expenses for Q2 (10/1-12/31) should be in the Q2 column.

Hello,

Please see attached for your payment confirmation letter.

I have also included your quarterly expenditure report spreadsheet that you will use.

Below is the schedule of when quarterly reports are due. Your first quarterly report will be due **January 15, 2023**.

Quarterly Update Schedule				
Time Frame	7/1 - 9/30	10/1 - 12/31	1/1 - 3/31	4/1 - 6/30

* Quarterly Update requirement continues until all funds have been spent.

I understand that since funds are just being received your organization may not have any expenditures to report for the first two quarters. If that is the case, you will put zeros in the expenditure section with the quarters that had no expenses.

If you have any questions or issues with the spreadsheet, please do not hesitate to reach out.

Thank you,

Hey Tyler and Natalie,

I wanted to check and see if you had been able to separate the two projects.

If you haven't, I attached 2 Excel spreadsheets, one for each project, that you can complete. I used the information you provided under the Organization Information section in the PDF you supplied to find your vendor number. If you can complete the areas in yellow specific to each project and sign them, it should be able to be moved forward for review/approval and processing.

I also wanted to let you know that the amount in the budget area should not go above the amount of the contribution. I understand that for many projects the contribution amount is not the full amount needed to complete the project, but you only have to put on the form how the contribution amount is being budgeted.

If you have any questions, please let me know.

Thank you Tyler!

I did a quick review and noticed that you put both projects on one form and that the vendor number section was blank.

Since these are two separate earmarks, we will need them on separate disbursement request forms. I also have included the link to look up your vendor number.

Hey Tyler and Natalie,

I wanted to check and see if you had been able to separate the two projects.

If you haven't, I attached 2 Excel spreadsheets, one for each project, that you can complete. I used the information you provided under the Organization Information section in the PDF you supplied to find your vendor number. If you can complete the areas in yellow specific to each project and sign them, it should be able to be moved forward for review/approval and processing.

I also wanted to let you know that the amount in the budget area should not go above the amount of the contribution. I understand that for many projects the contribution amount is not the full amount needed to complete the project, but you only have to put on the form how the contribution amount is being budgeted.

If you have any questions, please let me know.

Hello,

The State of South Carolina Fiscal Year 2022-2023 Appropriations Act provides the revenue for State government to meet its budgetary expenses. This year's Act included allocations to the Office of the State Treasurer (STO) reserved as one-time appropriations for contributions to outside organizations. Your organization was selected as one of those outside organizations. I have attached 2 files as part of your enrollment packet. Please read the Appropriated Funds Cover Letter first. There you will find important information regarding FY 2022-2023 reporting requirements and guidance on how to complete the Earmarked Appropriations Disbursement Request form.

In order for funds to be disbursed to your organization, you will not only need to submit the Earmarked Appropriations Disbursement Request form but also be registered as a vendor with the State of South Carolina. If you do not have a vendor number, please use the link below to access new vendor registration. If you need to update your vendor information you may also do that from the link below.

<https://procurement.sc.gov/doing-biz/registration>

Once you receive your vendor number or if you already have a vendor number, please include it on the Earmarked Appropriations Disbursement Request form in the "Vendor #" section.

All completed forms should be submitted to the STO - Appropriated Contributions email address listed below.

STO.Appropriated.Contributions@sto.sc.gov

In accordance with Executive Order 2022-19, STO is required to promptly make available for public review and inspection on our website any and all reports, accountings, forms, updates, communications, or other materials required by Proviso 117.21. Below is the link to where the information will be available on our website.

RE: State Appropriated Contributions, FY 22-23 Reporting Requirements

Dear Natalie Zeigler:

The State of South Carolina Fiscal Year 2022-2023 Appropriations Act provides the revenue for State government to meet its budgetary expenses. This year's Act included allocations to the Office of the State Treasurer (STO) reserved as one-time appropriations for contributions to outside organizations. The amount below indicates the funds which have been allotted in our agency's budget for your organization.

<u>Organization receiving appropriated funds:</u>	<u>Amount</u>
Goose Creek Crosswalks	\$35,000.00
City of Goose Creek (Fire Station at Carnes Crossroads)	\$2,500,000.00

Budget Proviso 117.21 outlines reporting requirements for recipients of appropriated contributions. In addition, please note that Section 11-9-110 of the South Carolina Code requires that you agree to be audited by the State Auditor. (A copy of these applicable laws is attached for your convenience.)

Please see enclosed Excel workbook for data we must collect to be able to disburse these funds. This initial report, along with other information as detailed within the Instructions, must be submitted in electronic format to STO prior to funds being dispersed. After the funds have been dispersed, you must also file quarterly reports in addition to a year-end report with STO by **June 30, 2023** via a format to be provided prior to that date. Your submissions will be forwarded to the Chairman of the Senate Finance Committee, the Chairman of the House Ways and Means Committee, and the Executive Budget Office by the STO. Per Governor McMaster's Executive Order, any and all reports, accountings, forms, updates, communications, or other materials required by Proviso 117.21 will be made available for public review and inspection on the STO website.

Please note that to be paid by the State of South Carolina, you must be a registered vendor of the State. If you are not already a registered vendor, please see <https://procurement.sc.gov/doing-biz/registration> to complete this required task. Once known, please ensure you include your State of SC vendor number on the enclosed Earmarked Appropriations Disbursement Request form when you return it to the STO.

Hello,

In order to process disbursements, it is a requirement for receiving organizations to register with the South Carolina Secretary of State's ("SOS") Office. This includes political subdivision ("PSD") receivers. PSD's after registering with the SC SOC's Office may either receive a registration or a registration exemption (*since they are a governmental entity subject to FOIA*). Therefore, if the:

Receiving organization has not registered or obtained an exemption from the SC SOS's office:

The receiving organization should follow the link below to complete registration or to request a registration exemption. If selecting a registration exemption, local PSDs would select exemption A(6). There is no filing fee for this application.

[Before You File Online | SC Secretary of State](#)

Upon registration or approval of the registration exemption, the receiver will receive a confirmation letter from the SC SOS's office via email. Please provide a copy of the confirmation letter to the SC Treasurer's Office so we can include it with the disbursement request.

Receiving organization has a registration on file with the SC SOC's Office or if a registration exemption has been granted by the SC SOC's Office:

Please use the following link to obtain confirmation of your registration or exemption:

<https://search.scsos.com/charities>

An organization that is currently registered will have a status that says "registered." An organization that is currently exempt from registration will have a status that says "exempt." Please provide a copy of the webpage showing your status to the SC Treasurer's Office so we can include it with the disbursement request.

Thank you,
Meg
