Hello,

Please see attached for your payment confirmation letter.

I have also included your quarterly expenditure report spreadsheet that you will use.

Below is the schedule of when quarterly reports are due. Your first quarterly report will be due **January 15, 2023**.

Quarterly Update Schedule				
Time Frame	7/1 - 9/30	10/1 - 12/31	1/1 - 3/31	4/1 - 6/30
Due Date	10/15	1/15	4/15	7/15

* Quarterly Update requirement continues until all funds have been spent.

I understand that since funds are just being received your organization may not have any expenditures to report for the first two quarters. If that is the case, you will put zeros in the expenditure section with the quarters that had no expenses.

If you have any questions or issues with the spreadsheet, please do not hesitate to reach out.

Thank you,
Meg

Please explain how these funds will be used to provide a public benefit:

Despite the ongoing efforts of school systems and the community at large, many youth today are venturing down paths that are likely to lead in negative outcomes. Unfortunately, these outcomes are kindred to juvenile delinquent behaviors, school truancy, failing grades, low self-image, damaged self-esteem, decreased self-worth and an array of situational circumstances that could prove traumatic to the lives of these youth, their families and the community. With the help of our community and through the utilization of The Greater Waverly Foundation, our Village Initiative Center proposes to facilitate a highly impactful Homework, Tutoring and Mentoring Program that can change the trajectory of a child's life. Our mentors offer sound, proven advice, provide academic support and life-skills training that will help young people navigate challenges. Through our partnerships with various youth and family centered nonprofit organizations, our Village Initiative Center will host academic tutoring and remediation, Summer and Spring Break leadership camps, leadership and life-skills training programs, and career and work-readiness opportunities. With the support of our community and the engagement of youth, our homework, tutoring and mentoring center will be a proactive force within the community, providing impactful services to youth and their families while reducing negative outcomes among youth in our community and producing more well-rounded, positive productive citizens.

Grand Total	\$200,000.00	

Please explain how these funds will be used to provide a public benefit:

Despite the ongoing efforts of school systems and the community at large, many youth today are venturing down paths that are likely to lead in negative outcomes. Unfortunately, these outcomes are kindred to juvenile delinquent behaviors, school truancy, failing grades, low self-image, damaged self-esteem, decreased self-worth and an array of situational circumstances that could prove traumatic to the lives of these youth, their families and the community. With the help of our community and through the utilization of The Greater Waverly Foundation, our Village Initiative Center proposes to facilitate a highly impactful Homework, Tutoring and Mentoring Program that can change the trajectory of a child's life. Our mentors offer sound, proven advice, provide academic support and life-skills training that will help young people navigate challenges. Through our partnerships with various youth and family centered nonprofit organizations, our Village Initiative Center will host academic tutoring and remediation, Summer and Spring Break leadership camps, leadership and life-skills training programs, and career and work-readiness opportunities. With the support of our community and the engagement of youth, our homework, tutoring and mentoring center will be a proactive force within the community, providing impactful services to youth and their families while reducing negative outcomes among youth in our community and producing more well-rounded, positive productive citizens.

RE: State Appropriated Contributions, FY 22-23 Reporting Requirements

Dear Catherine Lewis:

The State of South Carolina Fiscal Year 2022-2023 Appropriations Act provides the revenue for State government to meet its budgetary expenses. This year's Act included allocations to the Office of the State Treasurer (STO) reserved as one-time appropriations for contributions to outside organizations. The amount below indicates the funds which have been allotted in our agency's budget for your organization.

<u>Organization receiving appropriated funds:</u>	<u>Amount</u>
Greater Waverly Foundation	\$200,000.00

Budget Proviso 117.21 outlines reporting requirements for recipients of appropriated contributions. In addition, please note that Section 11-9-110 of the South Carolina Code requires that you agree to be audited by the State Auditor. (A copy of these applicable laws is attached for your convenience.)

Please see enclosed Excel workbook for data we must collect to be able to disburse these funds. This initial report, along with other information as detailed within the Instructions, must be submitted in electronic format to STO prior to funds being dispersed. After the funds have been dispersed, you must also file quarterly reports in addition to a year-end report with STO by **June 30, 2023** via a format to be provided prior to that date. Your submissions will be forwarded to the Chairman of the Senate Finance Committee, the Chairman of the House Ways and Means Committee, and the Executive Budget Office by the STO. Per Governor McMaster's Executive Order, any and all reports, accountings, forms, updates, communications, or other materials required by Proviso 117.21 will be made available for public review and inspection on the STO website.

Please note that to be paid by the State of South Carolina, you must be a registered vendor of the State. If you are not already a registered vendor, please see <https://procurement.sc.gov/doing-biz/registration> to complete this required task. Once known, please ensure you include your State of SC vendor number on the enclosed Earmarked Appropriations Disbursement Request form when you return it to the STO.

Should you have any questions or concerns, please do not hesitate to email the Division of Treasury Management at STO.Appropriated.Contributions@sto.sc.gov. We look forward to working with you.

Sincerely,
