Hey Missy,

The ACHs were just sent last night so it might take a few days for them to show in your bank. Belvedere was processed at the same time as the other two, but the CG's Office hasn't approved it yet. Once it is approved I will send you an email letting you know. I am keeping a close eye on them since I have 4 payments that I am waiting on the CG's Office to approve. I hope you have a very Merry Christmas as well.

I just received emails from Dept. of Treasury for the allocations for Beltline Project and the Bluff/Atlas Project. I have sent that to Finance to verify we see payment on our end as well. I am reaching out to see if you know the allocation for the Belvedere Project is also being processed or if it is being held for some reason. Please let me know if you need anything else in order to process payment for that project as well.

I noticed that you left the Vendor number section blank. I used the information you

provided under the Organization Information section to find a vendor number that I believe would be the best match.

If you can confirm that the vendor number below is the correct one to use for this request, I will then move it forward for review/approval and processing.

I have also included the link to look up your vendor number below.

Call Details: Meg Romaniello spoke with Missy Gentry regarding where their three requests were in the process. Missy confirmed that Meg should use the tax ID number and the vendor numbers that she had sent in her email after Meg explained why the recommended numbers were important. Missy also stated that she would send a follow up email. Meg stated that she would let Missy know once the requests had been processed and also stated that she would be getting an email after payment was approved with additional details as to what was needed afterwards.

Thank you so much Missy!

The last thing I need to clarify is the blank cells that were on each request. For the first two it is the Tax ID and for the third is the vendor number. I have included a table of the information that was provided and the information that I recommend based on the forms that were submitted. All three vendor numbers are set up with the same tax ID number and for direct deposit that goes to the same account.

Please let me know if you agree with my recommended items. I will then move all three forward for review, approval, and processing.

Hi Kyle,

I apologize for the delay in response.

Currently I have received two of the three forms for the City of Columbia. I am missing the one for Beltline Blvd Community Enhancements.

The City of Columbia is also not registered with the Secretary of State's ("SOS") Office at this time, but I just sent an email to Missy Caughman a few minutes ago in regards to it. I also provided her with contact information for SOS staff in case assistance was needed with registering.

I also called Missy Gentry to discuss what was still needed and left a voicemail.

I am working through the group of submissions I have received to date and plan to provide management with what has been submitted for review and approval this week. If they are approved and all necessary registrations are completed, I hope to have payments processed next week. I looked up the vendor number that was provided to be for City of Columbia (7000091006), and it shows that the payment will be sent electronically.

If there is any additional assistance I can provide, please do not hesitate to reach out.

The City of Columbia is my client at the State House. On October 28, we sent you the paperwork for the City's three projects to be funded with the reprogrammed Convention Center funds that are coming through your office.

I'm just checking on when you think the City might see the funds for these projects and also confirming that the funds will come by wire transfer.

I appreciate any information you can give us.

Thanks!

Hi Missy and Carol,

When I was verifying the vendor number you listed on your request forms, I noticed that the address was different than what you listed on your form. The tax ID listed with vendor number 7000091006 is 57-6000229. I looked to see if there was a different vendor number that used that tax ID and the address you listed and found vendor number 7000202981. I checked and both vendor numbers are set up to receive ACHs and use the same bank account number. At this time, I plan to use vendor number 7000202981 when we process payment. Please let me know if there would be any issue with using that vendor number. I have also included screen shots below for reference.

Thank you so much for this update. We will get you the information for Beltline Boulevard Community Enhancements ASAP.

The Secretary of State registration has been a little confusing, not just for us, but for all local governments receiving budget earmarks. When you click through the link to register with the Secretary of State, the only options you have are filing as a charity, a raffle or a professional fundraiser. Obviously, the City of Columbia is not any of these. If you have any good intel on how the City is supposed to register with the Secretary of State other than through the link below, can you let us know?

Subject: [External] City of Columbia reprogrammed Convention Center funds

Meg:

The City of Columbia is my client at the State House. On October 28, we sent you the paperwork for the City's three projects to be funded with the reprogrammed Convention Center funds that are coming through your office.

I'm just checking on when you think the City might see the funds for these projects and also confirming that the funds will come by wire transfer.

I appreciate any information you can give us.

Thanks!

Hi Missy,

I do not believe there is another option, but I can double check. Below is what I received from the Comptroller General's Office earlier this fiscal year in regards to cities, towns, and counties registering with the Secretary of State.

"Over the past couple of weeks, we have received several inquiries concerning the need for political subdivision ("PSD") receivers to have registered with the South Carolina Secretary of State's ("SOS") Office prior to disbursement of funds.

Remember, Proviso 118.19(D) states *"For purposes of item (B)(78) and **all items** thereafter, funds shall not be disbursed until verification that receiver's organization is registered as a business, nonprofit, or charitable organization with the South Carolina Secretary of State's office."*

After discussion with the SOS's Office, PSD's do register with the SC SOC's Office and may either receive a registration or a registration exemption (*since they are a governmental entity subject to FOIA*)."

I have included the contact information for two individuals from the SOS Office that would be able to assist with any questions regarding registering with the SOS.

Kim Wickersham, CPM, Director, Public Charities Division of the SC SOS's Office at (803) 734-2174 or kwickersham@sos.sc.gov

Shannon Wiley, General Counsel & Public Information Director of the SC SOS's Office at (803) 734-0246 or swiley@sos.sc.gov

I will let you know if I hear anything different about registering with the SOS.

Hi Kyle,

I apologize for the delay in response.

Currently I have received two of the three forms for the City of Columbia. I am missing the one for Beltline Blvd Community Enhancements.

The City of Columbia is also not registered with the Secretary of State's ("SOS") Office at this time, but I just sent an email to Missy Caughman a few minutes ago in regards to it. I also provided her with contact information for SOS staff in case assistance was needed with registering.

I also called Missy Gentry to discuss what was still needed and left a voicemail.

I am working through the group of submissions I have received to date and plan to provide management with what has been submitted for review and approval this week. If they are approved and all necessary registrations are completed, I hope to have payments processed next week. I looked up the vendor number that was provided to be for City of Columbia (7000091006), and it shows that the payment will be sent electronically.

If there is any additional assistance I can provide, please do not hesitate to reach out.

Hello,

The State of South Carolina Fiscal Year 2022-2023 Appropriations Act provides the revenue for State government to meet its budgetary expenses. This year's Act included allocations to the Office of the State Treasurer (STO) reserved as one-time appropriations for contributions to outside organizations. Your organization was selected as one of those outside organizations. I have attached 2 files as part of your enrollment packet. Please read the Appropriated Funds Cover Letter first. There you will find important information regarding FY 2022-2023 reporting requirements and guidance on how to complete the Earmarked Appropriations Disbursement Request form.

In order for funds to be disbursed to your organization, you will not only need to submit the Earmarked Appropriations Disbursement Request form but also be registered as a vendor with the State of South Carolina. If you do not have a vendor number, please use the link below to access new vendor registration. If you need to update your vendor information you may also do that from the link below.

<https://procurement.sc.gov/doing-biz/registration>

Once you receive your vendor number or if you already have a vendor number, please include it on the Earmarked Appropriations Disbursement Request form in the "Vendor #" section.

All completed forms should be submitted to the STO - Appropriated Contributions email address listed below.

STO.Appropriated.Contributions@sto.sc.gov

In accordance with Executive Order 2022-19, STO is required to promptly make available for public review and inspection on our website any and all reports, accountings, forms, updates, communications, or other materials required by Proviso 117.21. Below is the link to where the information will be available on our website.

RE: State Appropriated Contributions, FY 22-23 Reporting Requirements

Dear Missy Gentry:

The State of South Carolina Fiscal Year 2022-2023 Appropriations Act provides the revenue for State government to meet its budgetary expenses. This year's Act included allocations to the Office of the State Treasurer (STO) reserved as one-time appropriations for contributions to outside organizations. The amount below indicates the funds which have been allotted in our agency's budget for your organization.

<u>Organization receiving appropriated funds:</u>	<u>Amount</u>
Belvedere Neighborhood Flood Mitigation	\$3,000,000.00
Bluff Rd and Atlas Rd Area Improvements	\$4,000,000.00
Beltline Blvd Community Enhancements	\$2,000,000.00

Budget Proviso 117.21 outlines reporting requirements for recipients of appropriated contributions. In addition, please note that Section 11-9-110 of the South Carolina Code requires that you agree to be audited by the State Auditor. (A copy of these applicable laws is attached for your convenience.)

Please see enclosed Excel workbook for data we must collect to be able to disburse these funds. This initial report, along with other information as detailed within the Instructions, must be submitted in electronic format to STO prior to funds being dispersed. After the funds have been dispersed, you must also file quarterly reports in addition to a year-end report with STO by **June 30, 2023** via a format to be provided prior to that date. Your submissions will be forwarded to the Chairman of the Senate Finance Committee, the Chairman of the House Ways and Means Committee, and the Executive Budget Office by the STO. Per Governor McMaster's Executive Order, any and all reports, accountings, forms, updates, communications, or other materials required by Proviso 117.21 will be made available for public review and inspection on the STO website.

Please note that to be paid by the State of South Carolina, you must be a registered vendor of the State. If you are not already a registered vendor, please see <https://procurement.sc.gov/doing-biz/registration> to complete this required task. Once known, please ensure you include your State of SC vendor number on the enclosed Earmarked Appropriations Disbursement Request form when you return it to the STO.

Should you have any questions or concerns, please do not hesitate to email the Division of Treasury Management at STO.Appropriated.Contributions@sto.sc.gov. We look forward to working with you.

Sincerely,

SOUTH CAROLINA OFFICE OF THE STATE TREASURER APPROPRIATED CONTRIBUTIONS REPORTING REQUIREMENTS

INSTRUCTIONS

The South Carolina General Assembly tasked the South Carolina Office of State Treasurer (STO) with distributing appropriated contributions to your organization. State Budget Proviso 117.21 mandates that each organization receiving a contribution render to the state agency making the contribution specific information.

The information collection process will take place in multiple parts, Earmarked Appropriations Disbursement Request form and Quarterly Expenditure Reports. All responses submitted by your organization should be provided to the STO via STO.Appropriated.Contributions@sto.sc.gov. If your organization was appropriated contributions for more than one purpose, please complete **separate** forms and reports for **each project**.

The Earmarked Appropriations Disbursement Request form is due to STO prior to funds being dispersed.

The Quarterly Expenditure Reports are due to STO every quarter after receiving the funds. Should the initiative continue beyond June 30, 2022, the organization must continue to provide a quarterly report until completion.

All responses should reflect the actual expenditures made by the organization as compared to the appropriated funds provided by STO.

Applicable Law on Reporting Responsibilities

(For additional information, see the document entitled, Law Related to Appropriated Contributions)

Proviso 117.21 requires the following:

- The funds appropriated in this act for contributions ***shall not be disbursed*** until a plan of how the state funds will be spent and how the expenditures will provide a public benefit are filed with the appropriate state agency.
- No funds in this act shall be disbursed to organizations or purposes which practice discrimination against persons by virtue of race, creed, color or national origin.
- After receiving the funds, organizations shall provide quarterly spending updates to the respective state agency.
- After all state funds have been expended, each organization shall provide an accounting of how the funds were spent.
