Hello,

Please see attached for your payment confirmation letter.

I have also included your quarterly expenditure report spreadsheet that you will use.

Below is the schedule of when quarterly reports are due. Your first quarterly report will be due **April 15, 2023**.

Quarterly Update Schedule				
Time Frame	7/1 - 9/30	10/1 - 12/31	1/1 - 3/31	4/1 - 6/30
Due Date	10/15	1/15	4/15	7/15

* Quarterly Update requirement continues until all funds have been spent.

I understand that since funds are just being received your organization may not have any expenditures to report for the first two quarters. If that is the case, you will put zeros in the expenditure section with the quarters that had no expenses.

If you have any questions or issues with the spreadsheet, please do not hesitate to reach out.

Thank you,
Meg

Also the budget amount is \$46,500 above the amount in the contribution section. It is completely fine if the total project budget is over the amount we are providing, but you only have to put the budget for the amount that the state is providing.

No worries. I just noticed two more things. Sorry I didn't send them in the last email. Typically the vendor numbers begin with 7000*. You can look up your vendor number using the link below.

<https://webprod.cio.sc.gov/SCVendorSearch/vendorSearch.do>

Also the budget amount is \$46,500 above the amount in the contribution section. It is completely fine if the total project budget is over the amount we are providing, but you only have to put the budget for the amount that the state is providing.
