## THE HONORABLE CURTIS M. LOFTIS, JR.

State Treasurer

To Governor Henry McMaster, Members of the South Carolina General Assembly and the Citizens of South Carolina:

I am pleased to submit this latest edition of the Annual Local Government Debt Report. The information included in this report complies with Section 11-15-100 of the Code of Laws of South Carolina, 1976, as amended, and reflects the debt outstanding of local governments in South Carolina for Fiscal Year Ended June 30, 2022.

The debt information provided in this report has been compiled from local government submissions to the Office of State Treasurer and meets the statutory requirements for reporting annually on the outstanding debt obligations of all local governments. It also serves as a valuable tool to those seeking information for purposes of marketing, purchasing, or selling such debt securities, or for economic development in some of these communities.

This report is part of our ongoing efforts to furnish government officials, taxpayers, and investors with a transparent view of the local governments' long-term financial obligations.

It is an honor to represent the State of South Carolina as your State Treasurer.

Respectfully yours,

Curtis M. Loftis, Jr.  
South Carolina Treasurer
