Thank you Ms. McCoy for sending this to me and speaking with me. I have been pulled into a meeting, but I will call Mayor Ginyard as soon as I can to explain what we discussed. To make things a little easier for you I have attached a spreadsheet with example expense budget lines that could be used based on the representative's request.

Hi Ms. Lee,

I did a review of your submission and wanted to discuss some things. It appears that the use of funds you listed is different than what the Representative requested the funds for. I have attached what the Representative provided that the funds would be used for (attachment 1). I have copied over the information you had written into the Excel template so that it will be easier for you to update it

based on previously mentioned attachment. The areas that will need to be updated are the plan/budget section and the public benefit section. I have included your vendor number based on your tax-ID you provided. Once the form is updated, it will need to be resigned. If you have any questions or need any assistance with completing the form, please do not hesitate to reach out to me. I will be happy to help.

Subject: Disbursement Requirement: Registration with Secretary of State's Office

Hello,

In order to process disbursements, it is a requirement for receiving organizations to register with the South Carolina Secretary of State's ("SOS") Office. This includes political subdivision ("PSD") receivers. PSD's after registering with the SC SOC's Office may either receive a registration or a registration exemption (*since they are a governmental entity subject to FOIA*). Therefore, if the:

Receiving organization has not registered or obtained an exemption from the SC SOS's office:

The receiving organization should follow the link below to complete registration or to request a registration exemption. If selecting a registration exemption, local PSDs would select exemption A(6). There is no filing fee for this application.

[Before You File Online | SC Secretary of State](#)

Upon registration or approval of the registration exemption, the receiver will receive a confirmation letter from the SC SOS's office via email. Please provide a copy of the confirmation letter to the SC Treasurer's Office so we can include it with the disbursement request.

-

Receiving organization has a registration on file with the SC SOC's Office or if a registration exemption has been granted by the SC SOC's Office:

Please use the following link to obtain confirmation of your registration or exemption:

<https://search.scsos.com/charities>

An organization that is currently registered will have a status that says "registered." An organization

that is currently exempt from registration will have a status that says “exempt.” Please provide a copy of the webpage showing your status to the SC Treasurer’s Office so we can include it with the disbursement request.

Thank you,
Meg

Hi Ms. Lee,

I did a review of your submission and wanted to discuss some things. It appears that the use of funds you listed is different than what the Representative requested the funds for. I have attached what the Representative provided that the funds would be used for (attachment 1). I have copied over the information you had written into the Excel template so that it will be easier for you to update it based on previously mentioned attachment. The areas that will need to be updated are the plan/budget section and the public benefit section. I have included your vendor number based on your tax-ID you provided. Once the form is updated, it will need to be resigned. If you have any questions or need any assistance with completing the form, please do not hesitate to reach out to me. I will be happy to help.

Subject: Disbursement Requirement: Registration with Secretary of State's Office

Hello,

In order to process disbursements, it is a requirement for receiving organizations to register with the South Carolina Secretary of State's ("SOS") Office. This includes political subdivision ("PSD") receivers. PSD's after registering with the SC SOC's Office may either receive a registration or a registration exemption (*since they are a governmental entity subject to FOIA*). Therefore, if the:

Receiving organization has not registered or obtained an exemption from the SC SOS's office:

The receiving organization should follow the link below to complete registration or to request a registration exemption. If selecting a registration exemption, local PSDs would select exemption A(6). There is no filing fee for this application.

[Before You File Online | SC Secretary of State](#)

Upon registration or approval of the registration exemption, the receiver will receive a confirmation letter from the SC SOS's office via email. Please provide a copy of the confirmation letter to the SC

Treasurer's Office so we can include it with the disbursement request.

-

Receiving organization has a registration on file with the SC SOC's Office or if a registration exemption has been granted by the SC SOC's Office:

Please use the following link to obtain confirmation of your registration or exemption:

<https://search.scsos.com/charities>

An organization that is currently registered will have a status that says "registered." An organization that is currently exempt from registration will have a status that says "exempt." Please provide a copy of the webpage showing your status to the SC Treasurer's Office so we can include it with the disbursement request.

Thank you,
Meg

Subject: Disbursement Requirement: Registration with Secretary of State's Office

Hello,

In order to process disbursements, it is a requirement for receiving organizations to register with the South Carolina Secretary of State's ("SOS") Office. This includes political subdivision ("PSD") receivers. PSD's after registering with the SC SOC's Office may either receive a registration or a registration exemption (*since they are a governmental entity subject to FOIA*). Therefore, if the:

Receiving organization has not registered or obtained an exemption from the SC SOS's office:

The receiving organization should follow the link below to complete registration or to request a registration exemption. If selecting a registration exemption, local PSDs would select exemption A(6). There is no filing fee for this application.

[Before You File Online | SC Secretary of State](#)

Upon registration or approval of the registration exemption, the receiver will receive a confirmation letter from the SC SOS's office via email. Please provide a copy of the confirmation letter to the SC Treasurer's Office so we can include it with the disbursement request.

-

Receiving organization has a registration on file with the SC SOC's Office or if a registration exemption has been granted by the SC SOC's Office:

Please use the following link to obtain confirmation of your registration or exemption:

<https://search.scsos.com/charities>

An organization that is currently registered will have a status that says “registered.” An organization that is currently exempt from registration will have a status that says “exempt.” Please provide a copy of the webpage showing your status to the SC Treasurer’s Office so we can include it with the disbursement request.

Thank you,
Meg

Hi Ms. Lee,

I did a review of your submission and wanted to discuss some things. It appears that the use of funds you listed is different than what the Representative requested the funds for. I have attached what the Representative provided that the funds would be used for (attachment 1). I have copied over the information you had written into the Excel template so that it will be easier for you to update it based on previously mentioned attachment. The areas that will need to be updated are the plan/budget section and the public benefit section. I have included your vendor number based on your tax-ID you provided. Once the form is updated, it will need to be resigned. If you have any questions or need any assistance with completing the form, please do not hesitate to reach out to me. I will be happy to help.

Hello,

In order to process disbursements, it is a requirement for receiving organizations to register with the South Carolina Secretary of State's ("SOS") Office. This includes political subdivision ("PSD") receivers. Receiving organization has not registered or obtained an exemption from the SC SOS's office:

The receiving organization should follow the link below to complete registration or to request a registration exemption. If selecting a registration exemption, local PSDs would select exemption A(6). There is no filing fee for this application.

Hello,

The State of South Carolina Fiscal Year 2022-2023 Appropriations Act provides the revenue for State government to meet its budgetary expenses. This year's Act included allocations to the Office of the State Treasurer (STO) reserved as one-time appropriations for contributions to outside organizations. Your organization was selected as one of those outside organizations. I have attached 2 files as part of your enrollment packet. Please read the Appropriated Funds Cover Letter first.
