Call Details: Meg Romaniello called Denise Cromwell to discuss the questions Ms. Cromwell had expressed in her voicemail. They determined that establishing gift cards for specific purposes that the organization determines and to have the recipient sign that they agree with receiving the card and its required use would be the best method of distributing funds for expenses volunteers have such as gas expenses. Meg clarified that the date that the funds could be used from to cover past expenses related to their approved project is 7/1/2022. Meg stated that if Ms. Cromwell had any additional questions that she would be glad to assist.

Call Details: Meg Romaniello called Denise Cromwell to discuss any questions she had. Ms. Cromwell merged the call with the one she was having with one of her executive staff members. They asked if they could revise the budget since they no longer had an office building and instead had a mobile office. Meg confirmed that alterations to the budget could occur, and that they would show them on the quarterly report. Meg confirmed when the first report would be due and also did a brief walkthrough of the report. Ms. Cromwell asked how they would report expenses that occurred prior to receiving the funds, and Meg explained that those expenses would be included in the column matching the quarter they occurred in. Meg also explained that the expenses could only go back to July 1, 2022. Meg confirmed that some of the expenses they were thinking would occur were included on the original request and what line they were included on.

Hello,

Please see attached for your payment confirmation letter.

I have also included your quarterly expenditure report spreadsheet that you will use.

Below is the schedule of when quarterly reports are due. Your first quarterly report will be due **April 15, 2023**.

Quarterly Update Schedule				
Time Frame	7/1 - 9/30	10/1 - 12/31	1/1 - 3/31	4/1 - 6/30
Due Date	10/15	1/15	4/15	7/15

* Quarterly Update requirement continues until all funds have been spent.

I understand that since funds are just being received your organization may not have any expenditures to report for the first two quarters. If that is the case, you will put zeros in the expenditure section with the quarters that had no expenses.

If you have any questions or issues with the spreadsheet, please do not hesitate to reach out.

Thank you,

Hello,

The State of South Carolina Fiscal Year 2022-2023 Appropriations Act provides the revenue for State government

to meet its budgetary expenses. This year's Act included allocations to the Office of the State Treasurer (STO) reserved as one-time appropriations for contributions to outside organizations. Your organization was selected as one of those outside organizations. I have attached 2 files as part of your enrollment packet. Please read the Appropriated Funds Cover Letter first. There you will find important information regarding FY 2022-2023 reporting requirements and guidance on how to complete the Earmarked Appropriations Disbursement Request form.

In order for funds to be disbursed to your organization, you will not only need to submit the Earmarked Appropriations Disbursement Request form but also be registered as a vendor with the State of South Carolina. If you do not have a vendor number, please use the link below to access new vendor registration. If you need to update your vendor information you may also do that from the link below.

<https://procurement.sc.gov/doing-biz/registration>

Once you receive your vendor number or if you already have a vendor number, please include it on the Earmarked Appropriations Disbursement Request form in the "Vendor #" section.

All completed forms should be submitted to the STO - Appropriated Contributions email address listed below.

Hello Meg

I was a pleasure speaking with you on Friday, regarding our conversation I have submitted our application for a vendor number which is still pending.

After speaking with the Procurement office this morning they informed me that It could take up to 45 days to be approved. We had no idea that a vendor number was needed in order to get paid. Just wanted to let you know, however in the meantime do you want me to send the other info requested or just wait until we receive the vendor number?

Thank you so much for your patience.

Under the last section titled "**Please Explain How These Funds Will Be Used to Provide a Public Benefit**"

Research indicates the greatest risk factors for homelessness among Veterans is a lack of support and social isolation after discharge. Roughly 1 in 5 Veterans resides alone. The importance of PSO Inc. is to provide a social network for those who are experiencing a crisis or need temporary assistance and to expand aid to homeless Veterans in the community by connecting them to other agencies and organizations for additional supportive services. Since December 2012, PSO Inc. aims to make a positive impact in the lives of Active-Duty service members and Veterans experiencing food insecurity, homelessness, and financial crisis. Utilizing volunteers as foot soldiers, PSO Inc. provides necessities, including clothing, blankets, sleeping bags, tents, bus passes, gas cards, personal hygiene products, and food to local service members and Veterans in need.

Service members encounter financial hardships unique to the military culture. Enlisting and leaving family support systems at a younger age than the majority of the general population, higher cost of living associated with frequent moves or changes in station/location, deployment(s), and opportunities for stable spousal employment are a few examples of the unique hardships that impact our military members.

Through in-depth assessments to understand the root issue of a financial emergency, we can connect service members and their families to additional resources to address financial literacy issues including setting financial goals, creating a budget, assisting with major purchases, and financial counseling for credit concerns while offering emergency financial assistance to service members, eligible family members, and survivors in need at the moment.

To combat homelessness and food insecurity for Veterans and service members in the local tri-county community, PSO hosts multiple events in the area focused on connecting the homeless with immediate hunger relief and supportive services. One example of how Project Street Outreach benefits the public is our Annual Community Thanksgiving Meal Distribution event. In 2021, over 400 Veterans and service members attended our Annual Community Thanksgiving Meal Distribution Event. PSO was able to distribute pre-packaged Thanksgiving dinner meal kits to those experiencing food insecurity and offered hot meals to the homeless in addition to connecting them to supportive services that could offer VA benefits counseling, food assistance programs, emergency shelter information, alcohol and drug abuse services, educational and employment services, and transitional housing.

Call Details: Meg Romaniello called J. Denise Cromwell to discuss the Earmarked Appropriations Disbursement Request form and the steps in the process. Meg explained the steps and Ms. Cromwell explained that they had completed everything and that her secretary was coming over to assist her with signing the document. Meg did check to see if a vendor number was listed in SCEIS and did not see one but stated that when they submitted the disbursement request form that she would check based on the information listed on it. Meg also stated that if she did not see any vendor number at that time that she would provide the links and instructions for them to be able to sign up to be a vendor. Ms. Cromwell asked about how the payment would be sent and Meg explained that it would be sent as a lumpsum and that it would be sent either by ACH or check depending on how their vendor account was registered. Meg also stated that she would be sending an email with details as to how the payment was sent in addition to the future requirements of the organization. Meg let Ms. Cromwell know that if her or her secretary have any questions to reach out and she would be happy to assist.

Hello,

The State of South Carolina Fiscal Year 2022-2023 Appropriations Act provides the revenue for State government to meet its budgetary expenses. This year's Act included allocations to the Office of the State Treasurer (STO) reserved as one-time appropriations for contributions to outside organizations. RE: State Appropriated Contributions, FY 22-23 Reporting Requirements

Dear J. Denise Cromwell:

The State of South Carolina Fiscal Year 2022-2023 Appropriations Act provides the revenue for State government to meet its budgetary expenses. This year's Act included allocations to the Office of the State Treasurer (STO) reserved as one-time appropriations for contributions to outside organizations. The amount below indicates the funds which have been allotted in our agency's budget for your organization.

<u>Organization receiving appropriated funds:</u>	<u>Amount</u>
Project Street Outreach	\$50,000.00

Budget Proviso 117.21 outlines reporting requirements for recipients of appropriated contributions. In addition, please note that Section 11-9-110 of the South Carolina Code requires that you agree to be audited by the State Auditor. (A copy of these applicable laws is attached for your convenience.)

Please see enclosed Excel workbook for data we must collect to be able to disburse these funds. This initial report, along with other information as detailed within the Instructions, must be submitted in electronic format to STO prior to funds being dispersed. After the funds have been dispersed, you must also file quarterly reports in addition to a year-end report with STO by **June 30, 2023** via a format to be provided prior to that date. Your submissions will be forwarded to the Chairman of the Senate Finance Committee, the Chairman of the House Ways and Means Committee, and the Executive Budget Office by the STO. Per Governor McMaster's Executive Order, any and all reports, accountings, forms, updates, communications, or other materials required by Proviso 117.21 will be made available for public review and inspection on the STO website.

Please note that to be paid by the State of South Carolina, you must be a registered vendor of the State. If you are not already a registered vendor, please see <https://procurement.sc.gov/doing-biz/registration> to complete this required task. Once known, please ensure you include your State of SC vendor number on the enclosed Earmarked Appropriations Disbursement Request form when you return it to the STO.

Should you have any questions or concerns, please do not hesitate to email the Division of Treasury Management at STO.Appropriated.Contributions@sto.sc.gov. We look forward to working with you.

Hello,

The State of South Carolina Fiscal Year 2022-2023 Appropriations Act provides the revenue for State government to meet its budgetary expenses. This year's Act included allocations to the Office of the State Treasurer (STO) reserved as one-time appropriations for contributions to outside organizations. Your organization was selected as one of those outside organizations. I have attached 2 files as part of your enrollment packet. Please read the Appropriated Funds Cover Letter first. There you will find important information regarding FY 2022-2023 reporting requirements and guidance on how to complete the Earmarked Appropriations Disbursement Request form.

In order for funds to be disbursed to your organization, you will not only need to submit the Earmarked Appropriations Disbursement Request form but also be registered as a vendor with the State of South Carolina. If you do not have a vendor number, please use the link below to access new vendor registration. If you need to update your vendor information you may also do that from the link below.

RE: State Appropriated Contributions, FY 22-23 Reporting Requirements

Dear J. Denise Cromwell:

The State of South Carolina Fiscal Year 2022-2023 Appropriations Act provides the revenue for State government to meet its budgetary expenses. This year's Act included allocations to the Office of the State Treasurer (STO) reserved as one-time appropriations for contributions to outside organizations. The amount below indicates the funds which have been allotted in our agency's budget for your organization.

<u>Organization receiving appropriated funds:</u>	<u>Amount</u>
Project Street Outreach	\$50,000.00

Budget Proviso 117.21 outlines reporting requirements for recipients of appropriated contributions. In addition, please note that Section 11-9-110 of the South Carolina Code requires that you agree to be audited by the State Auditor. (A copy of these applicable laws is attached for your convenience.)

Please see enclosed Excel workbook for data we must collect to be able to disburse these funds. This initial report, along with other information as detailed within the Instructions, must be submitted in electronic format to STO prior to funds being dispersed. After the funds have been dispersed, you must also file quarterly reports in addition to a year-end report with STO by **June 30, 2023** via a format to be provided prior to that date. Your submissions will be forwarded to the Chairman of the Senate Finance Committee, the Chairman of the House Ways and Means Committee, and the Executive Budget Office by the STO. Per Governor McMaster's Executive Order, any and all reports, accountings, forms, updates, communications, or other materials required by Proviso 117.21 will be made available for public review and inspection on the STO website.

Please note that to be paid by the State of South Carolina, you must be a registered vendor of the State. If you are not already a registered vendor, please see <https://procurement.sc.gov/doing-biz/registration> to complete this required task. Once known, please ensure you include your State of SC vendor number on the enclosed Earmarked Appropriations Disbursement Request form when you return it to the STO.

Should you have any questions or concerns, please do not hesitate to email the Division of Treasury Management at STO.Appropriated.Contributions@sto.sc.gov. We look forward to working with you.

Sincerely,

Meg Romaniello | Accounting/Fiscal Manager II
