Hi Kimberly,

The proviso does not state a deadline for which the funds have to be spent by. The only thing is that you have to continue to submit quarterly reports until the funds are fully spent.

Meg,

Can you tell me the deadline to spend all of the funds? We just received the money in December, and it appears we have to spend it all by June 30, 2025 based of the letter we received noting the quarterly reporting dates.

Thanks,
Kimberly

Absolutely. We completely understood that the budget could change once organizations were able to get quotes. We just need the total of the budget column to match the award.

Is it possible to reallocate the budget between the various line items? We were estimating what it would cost, and it appears some will cost more and others less than anticipated.

Hi Kimberly,

Attached is the disbursement request that your organization submitted. It is signed by the mayor. Lisa Moreno had been the one we were in contact with in addition to the mayor. The second attachment is the quarterly report that is due. The first tab has instructions, and the second tab is the form.

If you have any questions, please let me know.

Subject: RE: [External] FW: FY25 Appropriated Contributions Payment Confirmation and Quarterly Expenditure Report Information
Date: Thursday, January 9, 2025 4:04:50 PM

Is it possible to reallocate the budget between the various line items? We were estimating what it would cost, and it appears some will cost more and others less than anticipated.

Thanks,
Kimberly

Subject: Quarterly Update Reminder for FY25 Appropriated Earmarks - Proviso 117.21
Date: Thursday, January 2, 2025 6:13:38 PM

Happy New Year!

This is a reminder about your quarterly update that is due soon. Since this is the first report you will be submitting, please see below for some helpful notes.

Please update and submit the quarterly expenditure report to STO.Appropriated.Contributions@sto.sc.gov by the 15th of the month following the end of each quarter.

Q2 (ending 12/31/24) update due date: 1/15/25

Helpful Notes:

- Contribution Information, Organization Information, Organization Contact Information, and Secondary Organization Contact Information
 - The information in these cells should match what was listed in your approved Disbursement Request form.
 - The contact information should be updated if changes have been made since the Disbursement Request form was submitted.
- Reporting Period
 - Even though this is your first quarterly report due, this is technically the Quarter 2 report.
- Accounting of how the funds have been spent:
 - Description and Budget should match what was provided in your approved Disbursement Request form unless addition detail is needing/able to be provided.
 - Some organization knowing that they will receive the funds within the fiscal year start spending the funds July 1. If that occurred, you would put the expenses that occurred during the July 1 to September 30 time frame in the Quarter 1 column, and the expenses that occurred October 1 to December 31 in Quarter 2 column.
 - If no expenses have occurred since July 1, please put zeros in both Quarter 1 and Quarter 2 columns.
 - If funds are provided to subgrantees and/or affiliated non-profits, a description of how they are sending the funds is required per the proviso.
- Explanation of any unspent funds
 - Only needs to be completed on the Q4 report at the end of each fiscal year.

If you have any questions, please do not hesitate to reach out to me.

-Meg
