Yes, you would continue to include it in the packet because technically it is part of the total award of \$4,774,000.

Hey Sarah,

The proviso does not state that the funds have to be spent by a specific time.
You just have to submit quarterly reports until all of the funds have been spent.

Hi Sarah,

Thank you for letting me know. I will update my contact sheet.

Attached is the template for you to use. Your next report (Q4 - 4/1 - 6/30) is due **July 15, 2025**. I have also attached the last report packet I was sent.

It looks like you all have 4 projects for the 1 awarded appropriation. There is a summary tab that adds up the information from the other tabs since you all have been recording the projects separately. Currently it looks like the Advanced Metering project has overspent its budget which is fine. Typically, I have seen organizations just move budget from one of their other projects to cover the overage. Since the next report due is the last one for this fiscal year, I will need the "Explanation of any unspent funds" sections filled out for each tab that has funds remaining.

Quarterly Update Schedule				
Time Frame	7/1 - 9/30	10/1 - 12/31	1/1 - 3/31	4/1 - 6/30
Due Date	10/15	1/15	4/15	7/15

I will be sending a new template for the FY26 Q1 report once I receive FY25 Q4 reports. I will make sure you are on the email when it is sent out.

If you have any questions, please don't hesitate to reach out.

Hey Ben,

I did a quick review, and it looks like the North Congress St. Waterline Upgrade page is off. As of the 6/30/24 report you submitted to me, only \$307.38 had been spent in FY24, but on the report you just submitted for 9/30/24 you have changed the FY24 amount from what I had listed to \$618,692.92. Which amount is correct for the amount spent on that project last fiscal year?

Thank you, Ben! It looks good to me. I did add today's date down by your signatures so that it wasn't blank. I also wanted to let you know that you can group some of your lines together into more generic descriptions for future reports so that you will have space to input your expenses each quarter. I think one of your projects you had already filled all of the lines.

Hey Ben,

I reviewed what you sent and some of it is exactly what I needed, some need edits, and some of it is not for my agency at all. It also looks like one of the portions is missing as well (Advanced Metering Infrastructure System Upgrade portion for 1,555,000).

To make things a bit easier for you, I have attached a template that you would use for the for projects. Each tab is a portion of the total earmark awarded.

If during one of the quarters, no expenses occur then zeros should be put in the column to indicate there were no expenses. If the column is left blank, I will assume that you forgot to complete it and reach out to you for you to update it.

Please go through review and update the information in the attached template and let me know if you have any questions.

Document review:

1. 3rd Quarter 23-24 reports for COY
 - 1.1. E160 earmark related
 - 1.1.1. Q2 report not Q3
 - 1.2. E160 earmark related
 - 1.2.1. Q2 report not Q3
 - 1.3. E160 earmark related
 - 1.3.1. Q3 report missing Q2.
 - 1.3.2. Budget does not match amount awarded.
 - 1.4. E160 earmark related
 - 1.4.1. No edits needed.
 - 1.5. Not an E160 earmark
 - 1.6. Not an E160 earmark
 - 1.7. Not an E160 earmark
 - 1.8. Not an E160 earmark
 - 1.9. Not an E160 earmark
2. 3rd quarter 23-24 report

Hey Ben,

I reviewed what you sent and some of it is exactly what I needed, some need edits, and some of it is not for my agency at all. It also looks like one of the portions is missing as well (Advanced Metering Infrastructure System Upgrade portion for 1,555,000).

To make things a bit easier for you, I have attached a template that you would use for the for projects. Each tab is a

portion of the total earmark awarded.

If during one of the quarters, no expenses occur then zeros should be put in the column to indicate there were no expenses. If the column is left blank, I will assume that you forgot to complete it and reach out to you for you to update it.

Please go through review and update the information in the attached template and let me know if you have any questions.

Document review:

Hey Ben,

I reviewed what you sent and some of it is exactly what I needed, some need edits, and some of it is not for my agency at all. It also looks like one of the portions is missing as well (Advanced Metering Infrastructure System Upgrade portion for 1,555,000).

To make things a bit easier for you, I have attached a template that you would use for the for projects. Each tab is a portion of the total earmark awarded.

If during one of the quarters, no expenses occur then zeros should be put in the column to indicate there were no expenses. If the column is left blank, I will assume that you forgot to complete it and reach out to you for you to update it.

Please go through review and update the information in the attached template and let me know if you have any questions.

Document review:

1. 3rd Quarter 23-24 reports for COY
 - 1.1. E160 earmark related

- 1.1.1. Q2 report not Q3

Hey Ben,

I reviewed what you sent and some of it is exactly what I needed, some need edits, and some of it is not for my agency at all. It also looks like one of the portions is missing as well (Advanced Metering Infrastructure System Upgrade portion for 1,555,000).

To make things a bit easier for you, I have attached a template that you would use for the for projects. Each tab is a portion of the total earmark awarded.

If during one of the quarters, no expenses occur then zeros should be put in the column to indicate there were no expenses. If the column is left blank, I will assume that you forgot to complete it and reach out to you for you to update it.

Please go through review and update the information in the attached template and let me know if you have any questions.

Thank you, Ben. I will look at these and review. The quarterly reports for the \$4,774,000 for City of York - Downtown Development and Upgrades is the earmark that should be reported to the Treasurer's Office rather than another agency. If I have any questions after reviewing what you sent, I will let you know.

Hi Ben,

I believe attached is what you are looking for. Please let me know if it is not.
Please note that agencies were given a basic template and were allowed up update it if the agency needed additional information so it is possible that some of the other agencies you need to send reports to might have different templates that they would want you to use for them.

Subject: Quarterly Update Reminder for FY24 Appropriated Earmarks - Proviso 117.21

Hello,

This is a reminder about your quarterly update that is due soon. Since this is the first report you will be submitting, please see below for some helpful notes.

Please update and submit the quarterly expenditure report to STO.Appropriated.Contributions@sto.sc.gov by the 15th of the month following the end of each quarter.

Q2 (ending 12/31/23) update due date: 1/15/24

Helpful Notes:

- Contribution Information, Organization Information, Organization Contact Information, and Secondary Organization Contact Information
 - The information in these cells should match what was listed in your approved Disbursement Request form.

The contact information should be updated if changes have been made since the Disbursement Request form was submitted.

- Reporting Period
 - Even though this is your first quarterly report due, this is technically the Quarter 2 report.
- Accounting of how the funds have been spent:
 - Description and Budget should match what was provided in your approved Disbursement Request form unless additional detail is needed to be provided.
 - Some organizations knowing that they will receive the funds within the fiscal year start spending the funds July 1. If that occurred, you would put the expenses that occurred during the July 1 to September 30 time frame in the Quarter 1 column, and the expenses that occurred October 1 to December 31 in Quarter 2 column.
 - If no expenses have occurred since July 1, please put zeros in both Quarter 1 and Quarter 2 columns.
 - If funds are provided to subgrantees and/or affiliated non-profits, a description of how they are spending the funds is required per the proviso.
- Explanation of any unspent funds
 - Only needs to be completed on the Q4 report at the end of each fiscal year.

If you have any questions, please do not hesitate to reach out to me.

Hello,

Please see attached for your payment confirmation letter.

I have also included your quarterly expenditure report spreadsheet that you will use.

Below is the schedule of when quarterly reports are due. Your first quarterly reports will be due **January 15, 2024**.

Quarterly Update Schedule				
Time Frame	7/1 - 9/30	10/1 - 12/31	1/1 - 3/31	4/1 - 6/30
Due Date	10/15	1/15	4/15	7/15

* Quarterly Update requirement continues until all funds have been spent.

I understand that since funds are just being received your organization may not have any expenditures to report for the first two quarters. If that is the case, you will put zeros in the expenditure section with the quarters that had no expenses.

Please note that we must have separate quarterly expenditure reports per appropriation.

If you have any questions or issues with the spreadsheet, please do not hesitate to reach out.

Thank you,

Hi Jeff,

We had a slight delay in processing due to some technical issues, but those have been resolved. I processed the payments in our accounting system today, and they are waiting on approvals. Once the CG's Office approves the payments, I will be sending out an email confirming payment has been sent along with some additional details. I am hoping to be able to send those emails out by the middle of next week at the latest.

Please explain how these funds will be used to provide a public benefit:

Advanced Metering System will provide for remote collection of water use data in real-time. This supports more frequent billing, but more importantly, it also allows a utility to quickly identify excessive water use that could be the result of leaks. N. Congress Street Waterline replacement and upgrade a fifty-year-old lead pipe to increase water quality and water pressure through this area of the city and the water distribution system as a whole while achieving the Lead and Copper Compliance Rule by the EPA. York Public Safety upgrades will provide needed improvements and accommodate upgrades due to the growth of the community that is paralleling with staff growth that is being incurred by the city now and the years to come. The interior and exterior upgrades of the fire department are needed due to the facility being 25 years old, which will allow for more functionality of day-to-day operations that will increase our level of service to the public. Also, the gun range will be updated with state-of-the-art technology to increase the training and quality of our law enforcement officers. The Downtown Hotel Project will stimulate the local economy and economic development and allow visitors from all over to stay in the county seat of York County but also drive tourism in the City and surrounding communities. All of these projects are vital to the continued growth and development, but also for the short and long-term operations and maintenance, and local economic development that are accompanied by an array of public benefits of public services provided to the City's current citizens and businesses, but also future citizens and businesses.

The State of South Carolina Fiscal Year 2023-2024 Appropriations Act provides the revenue for State government to meet its budgetary expenses. This year's Act included allocations to the Office of the State Treasurer (STO) reserved as one-time appropriations for contributions to outside organizations. RE: State Appropriated Contributions, FY 23-24 Reporting Requirements

Dear Michael Fuesser and Dalton Pierce:

The State of South Carolina Fiscal Year 2023-2024 Appropriations Act provides the revenue for State government to meet its budgetary expenses. This year's Act included allocations to the Office of the State Treasurer (STO) reserved as one-time appropriations for contributions to outside organizations. The amount below indicates the funds which have been allotted in our agency's budget for your organization.

<u>Organization receiving appropriated funds:</u>	<u>Amount</u>
City of York - Downtown Development and Upgrades	\$4,774,000.00

Budget Proviso 117.21 outlines reporting requirements for recipients of appropriated contributions. In addition, please note that Section 11-9-110 of the South Carolina Code requires that you agree to be audited by the State Auditor. (A copy of these applicable laws is attached for your convenience.)

Please see enclosed Excel workbook for data we must collect to be able to disburse these funds. This initial report, along with other information as detailed within the instructions, must be submitted in electronic format to STO prior to funds being dispersed. After the funds have been dispersed, you must complete quarterly spending reports until funds are fully expended. The quarterly report template will be provided at a future date. Your submissions will be forwarded to the Chairman of the Senate Finance Committee, the Chairman of the House Ways and Means Committee, and the Executive Budget Office by the STO. Per Governor McMaster's Executive Order 2022-19, any and all reports, accountings, forms, updates, communications, or other materials required by Proviso 117.21 will be made available for public review and inspection on the STO website.

Please note that to be paid by the State of South Carolina, you must be a registered vendor of the State. If you are not already a registered vendor, please see <https://procurement.sc.gov/doing-biz/registration> to complete this required task. Once registered, please ensure you include your State of SC vendor number on the enclosed Earmarked Appropriations Disbursement Request form when you return it to the STO.

In accordance with Proviso 118.19.D, funds shall not be disbursed until verification that receiver's organization is registered as a business, nonprofit, or charitable organization with the South Carolina Secretary of State's office. This requirement does not apply to governmental entities or entities created by statute. If your organization has not registered or obtained an exemption from the SC SOS's office, please follow the link below to complete registration or to request a registration exemption.
