Hello,

Please see attached for your payment confirmation letter.

I have also included your quarterly expenditure report spreadsheet that you will use as well as instructions.

Below is the schedule of when quarterly reports are due. Your first quarterly report will be due **April 15, 2025**.

Quarterly Update Schedule				
Time Frame	7/1 - 9/30	10/1 - 12/31	1/1 - 3/31	4/1 - 6/30
Due Date	10/15	1/15	4/15	7/15

* Quarterly Update requirement continues until all funds have been spent.

Since funds are just being received, your organization may not have any expenditures to report. If that is the case, you will put zeros in the expenditure section with the quarters that had no expenses.

Please note that we must have separate quarterly expenditure reports per appropriation.

If you have any questions or issues with the spreadsheet, please do not hesitate to reach out.

Thank you,

Meg

Good morning,

I hope you are doing well! I have this for how we intend to use the funds. Is this the correct information?

Over the years, our offices realized that we were repeatedly serving the same clients for food, clothing, and showers. Knowing that some of these individuals wanted to move out of these cycles, but lacked the skills and support to do so, we began working with clients to help them break the cycles of poverty. We partner with many other nonprofit organizations and government agencies to create a network around the clients to help them on this difficult journey. This collaborative approach helps clients know that they are not alone and that help is available to them if and when they need it. Giving people the tools and confidence they need to be self-sufficient benefits the entire community. These individuals have served as examples to their families and neighbors of how you can turn your life around. We've had the friends and relatives of past participants come through the programs after they see how their friend or loved one has thrived. Having fewer people in poverty and in need of ongoing assistance strengthens individuals and communities while easing the burden on resources that are often stretched too thin.

If this is not what you are looking for, please let me know. Thank you so much!

Hello,

The State of South Carolina Fiscal Year 2024-2025 Appropriations Act provides the revenue for State government to meet its budgetary expenses. This year's Act included allocations to the Office of the State Treasurer (STO) reserved as one-time appropriations for contributions to outside organizations. Your organization was selected as one of those outside organizations. I have attached 2 files as part of your enrollment packet. Please read the Appropriated Funds Cover Letter first. There you will find important information regarding FY 2024-2025 reporting requirements and guidance on how to complete the Earmarked Appropriations Disbursement Request form. In order for funds to be disbursed to your organization, you will not only need to submit the Earmarked Appropriations Disbursement Request form but also be registered with the Secretary of State's ("SOS") Office and as a vendor with the State of South Carolina. Details on how to register with the SOS and as a vendor will be included in the attached letter. The registration with the SOS is required per Proviso 118.20.D, but it does not apply to governmental entities or entities created by statute.

All completed forms should be submitted to the STO - Appropriated Contributions email address listed below.

STO.Appropriated.Contributions@sto.sc.gov

In accordance with Executive Order 2022-19, STO is required to promptly make available for public review and inspection on our website any and all reports, accountings, forms, updates, communications, or other materials required by Proviso 117.21. Below is the link to where the information will be available on our website.

Good morning,

I hope you are doing well! I have this for how we intend to use the funds. Is this the correct information?

Over the years, our offices realized that we were repeatedly serving the same clients for food, clothing, and showers. Knowing that some of these individuals wanted to move out of these cycles, but lacked the skills and support to do so, we began working with clients to help them break the cycles of poverty. We partner with many other nonprofit organizations and government agencies to create a network around the clients to help them on this difficult journey. This collaborative approach helps clients know that they are not alone and that help is available to them if and when they need it. Giving people the tools and confidence they need to be self-sufficient benefits the entire community. These individuals have served as examples to their families and neighbors of how you can turn your life around. We've had the friends and relatives of past participants come through the programs after they see how their friend or loved one has thrived. Having fewer people in poverty and in

need of ongoing assistance strengthens individuals and communities while easing the burden on resources that are often stretched too thin.

If this is not what you are looking for, please let me know. Thank you so much!

Hello,

The State of South Carolina Fiscal Year 2024-2025 Appropriations Act provides the revenue for State government to meet its budgetary expenses. This year's Act included allocations to the Office of the State Treasurer (STO) reserved as one-time appropriations for contributions to outside organizations. Your organization was selected as one of those outside organizations. I have attached 2 files as part of your enrollment packet. Please read the Appropriated Funds Cover Letter first. There you will find important information regarding FY 2024-2025 reporting requirements and guidance on how to complete the Earmarked Appropriations Disbursement Request form. In order for funds to be disbursed to your organization, you will not only need to submit the Earmarked Appropriations Disbursement Request form but also be registered with the Secretary of State's ("SOS") Office and as a vendor with the State of South Carolina. Details on how to register with the SOS and as a vendor will be included in the attached letter. The registration with the SOS is required per Proviso 118.20.D, but it does not apply to governmental entities or entities created by statute.

All completed forms should be submitted to the STO - Appropriated Contributions email address listed below.

STO.Appropriated.Contributions@sto.sc.gov

In accordance with Executive Order 2022-19, STO is required to promptly make available for public review and inspection on our website any and all reports, accountings, forms, updates, communications, or other materials required by Proviso 117.21. Below is the link to where the information will be available on our website.

Good afternoon,

I appreciate you all resending these instructions. I missed your original email and I apologize for the delay. Would you please clarify when the deadline is to submit the allocation request? The Director of Catholic Charities of South Carolina is out of the office until next week so she will not be able to complete them until then. Would it be possible to submit them then? Thank you again for your patience with us!

Hello,

The State of South Carolina Fiscal Year 2024-2025 Appropriations Act provides the revenue for State government to meet its budgetary expenses. This year's Act included allocations to the Office of the State Treasurer (STO) reserved as one-time appropriations for contributions to outside organizations. Your organization was selected as one of those outside organizations. I have attached 2 files as part of your enrollment packet. Please read the Appropriated Funds Cover Letter first. There you will find important information regarding FY 2024-2025 reporting requirements and guidance on how to complete the Earmarked Appropriations Disbursement Request form. In order for funds to be disbursed to your organization, you will not only need to submit the Earmarked Appropriations Disbursement Request form but also be registered with the Secretary of State's ("SOS") Office and as a vendor with the State of South Carolina. Details on how to register with the SOS and as a vendor will be included in the attached letter. The registration with the SOS is required per Proviso 118.20.D, but it does not apply to governmental entities or entities created by statute.

All completed forms should be submitted to the STO - Appropriated Contributions email address listed below.

Plan/Accounting of how these funds will be spent:		
Description	Budget	Explanation
Salaries	\$60,000.00	Two staff members who facilitate Getting Ahead and Next Level Services
Direct Assistance to Individuals	\$31,600.00	Stipends for participants' necessary supplies for the length of program
Supplies	\$4,000.00	Covers program materials such as books, t-shirts, etc. for participants
Meeting expenses - graduation, food, etc.	\$4,000.00	Program graduation costs and meals for program meetings
Guide training	\$400.00	Training for Getting Ahead staff prior to working with clients
Grand Total	\$100,000.00	

Please explain how these funds will be used to provide a public benefit:

Over the years, our offices realized that we were repeatedly serving the same clients for food, clothing, and showers. Knowing that some of these individuals wanted to move out of these cycles, but lacked the skills and support to do so, we began working with clients to help them break the cycles of poverty. We partner with many other nonprofit organizations and government agencies to create a network around the clients to help them on this difficult journey. This collaborative approach, helps clients know that they are not alone and that help is available to them if and when they need it. Giving people the tools and confidence they need to be self-sufficient benefits the entire community. These individuals have served as examples to their families and neighbors of how you can turn your life around. We've had the friends and relatives of past participants come through the programs after they see how their friend or loved one has thrived. Having fewer people in poverty and in need of ongoing assistance strengthens individuals and communities while easing the burden on resources that are often stretched too thin.

RE: State Appropriated Contributions, FY 24-25 Reporting Requirements

Dear Michael Acquilano:

The State of South Carolina Fiscal Year 2024-2025 Appropriations Act provides the revenue for State government to meet its budgetary expenses. This year's Act included allocations to the Office of the State Treasurer (STO) reserved as one-time appropriations for contributions to outside organizations. The amount below indicates the funds which have been allotted in our agency's budget for your organization.

<u>Organization receiving appropriated funds:</u>	<u>Amount</u>
Catholic Charities - Next Level Services and Getting Ahead Programs	\$100,000.00

Budget Proviso 117.21 outlines reporting requirements for recipients of appropriated contributions. In addition, please note that Section 11-9-110 of the South Carolina Code requires that you agree to be audited by the State Auditor. (A copy of these applicable laws is attached for your convenience.)

Please see enclosed Excel workbook for data we must collect to be able to disburse these funds. This initial report, along with other information as detailed within the instructions, must be submitted in electronic format to STO prior to funds being dispersed. After the funds have been dispersed, you must complete quarterly spending reports until funds are fully expended. The quarterly report template will be provided at a future date. Your submissions will be forwarded to the Chairman of the Senate Finance Committee, the Chairman of the House Ways and Means Committee, and the Executive Budget Office by the STO. Per Governor McMaster's Executive Order 2022-19, any and all reports, accountings, forms, updates, communications, or other materials required by Proviso 117.21 will be made available for public review and inspection on the STO website.

Please note that to be paid by the State of South Carolina, you must be a registered vendor of the State. If you are not already a registered vendor, please see <https://procurement.sc.gov/doing-biz/registration> to complete this required task. Once registered, please ensure you include your State of SC vendor number on the enclosed Earmarked Appropriations Disbursement Request form when you return it to the STO.

In accordance with Proviso 118.20.D, funds shall not be disbursed until verification that receiver's organization is registered as a business, nonprofit, or charitable organization with the South Carolina Secretary of State's office (SOS). This requirement does not apply to governmental entities or entities created by statute. If your organization has not registered or obtained an exemption from the SC SOS's office, please follow the link below to complete registration or to request a registration exemption.

RE: State Appropriated Contributions, FY 24-25 Reporting Requirements

Dear Michael Acquilano:

The State of South Carolina Fiscal Year 2024-2025 Appropriations Act provides the revenue for State government to meet its budgetary expenses. This year's Act included allocations to the Office of the State Treasurer (STO) reserved as one-time appropriations for contributions to outside organizations. The amount below indicates the funds which have been allotted in our agency's budget for your organization.

<u>Organization receiving appropriated funds:</u>	<u>Amount</u>
Catholic Charities - Next Level Services and Getting Ahead Programs	\$100,000.00

Budget Proviso 117.21 outlines reporting requirements for recipients of appropriated contributions. In addition, please note that Section 11-9-110 of the South Carolina Code requires that you agree to be audited by the State Auditor. (A copy of these applicable laws is attached for your convenience.)

Please see enclosed Excel workbook for data we must collect to be able to disburse these funds. This initial report, along with other information as detailed within the instructions, must be submitted in electronic format to STO prior to funds being dispersed. After the funds have been dispersed, you must complete quarterly spending reports until funds are fully expended. The quarterly report template will be provided at a future date. Your submissions will be forwarded to the Chairman of the Senate Finance Committee, the Chairman of the House Ways and Means Committee, and the Executive Budget Office by the STO. Per Governor McMaster's Executive Order 2022-19, any and all reports, accountings, forms, updates, communications, or other materials required by Proviso 117.21 will be made available for public review and inspection on the STO website.

Please note that to be paid by the State of South Carolina, you must be a registered vendor of the State. If you are not already a registered vendor, please see <https://procurement.sc.gov/doing-biz/registration> to complete this required task. Once registered, please ensure you include your State of SC vendor number on the enclosed Earmarked Appropriations Disbursement Request form when you return it to the STO.

In accordance with Proviso 118.20.D, funds shall not be disbursed until verification that receiver's organization is registered as a business, nonprofit, or charitable organization with the South Carolina Secretary of State's office (SOS). This requirement does not apply to governmental entities or entities created by statute. If your organization has not registered or obtained an exemption from the SC SOS's office, please follow the link below to complete registration or to request a registration exemption.
