In no event shall we be liable for any consequential, special, punitive or indirect loss or damage which you may incur or suffer in connection with or arising out of this Funds Transfer Request. We shall be excused from failing to act or delay in acting if such failure or delay is caused by legal constraint, interruption of transmission or communication facilities, conflicts between the time of our execution of a Payment Order and the deadlines of any Federal Reserve Bank or communications facility, equipment failure, war, labor dispute or job action, emergency conditions, acts of God, or other circumstances beyond our control. In addition, we shall be excused from failing to execute or delay in executing a Payment Order if such execution would result in our exceeding any limitations on our intra-day net funds position established according to Federal Reserve Board guidelines or in our otherwise violating any provision of any risk control program of the Federal Reserve Board or any rule or regulation of any other U.S. government regulatory authority.

I spoke with Representative Kambrell Garvin, who had obtained this earmark for the Town. He told me that he approves the use of the remaining funds to go towards the purchase of property adjacent to Doko Meadows Park. I have copied him on this email. Is this all you need?

 - c. Provide all relevant demo discovery information.

Should it be determined that additional team members, or scopes for existing team members are required, additional fees may apply, and the timelines will be adjusted accordingly. It is realistic to assume that mobilization times and retainers will be required for new team members.
- 6) Given the variable nature of NDT testing and geotechnical engineering, it is reasonable to assume that any one team member's studies and/or findings may adversely affect said team member's scope and/or the scope of another team member. All alterations to proposed scopes due to the findings process will be discussed with the team members affected, then Phase One will present the proposed (required) changes to the client. If a change order is required, it will follow the process as outlined in #7 below.
- 7) Owner requested change orders to this design contract must be submitted in writing and a separate addendum shall be drafted for all parties to sign. Separate Fee and Timeline terms will be presented in accordance with the revised scope.
- 8) When it is necessary that our SOW relies on outside information, or other team members, Phase One reserves the right to effectively "pause" our efforts, and restart once the necessary information has been received. This helps to keep our costs down with unnecessary billing. Phase One will include updates within our weekly project update.
- 9) As we understand, Civil & Landscape Engineering will not be a part of this contract, provided by others. Should this change, or otherwise be required for permitting, Phase One can provide a bid for the new scopes.
- 10) Permitting associated with borings and geotechnical testing shall not be held against Phase One or its subcontractors. Should permitting be required to perform borings, all fees associated with permitting are the responsibility of the client, and all time delays shall not be held against Phase One or the design team.
- 11) Phase One will provide our services as expeditiously as practicable with the goal of meeting an agreed upon schedule. Our scope may be impacted depending on the city/county approval and review process. However, we cannot control the city timelines, communication, or backlog. Our hope is to accomplish this in the above listed schedule, it cannot be stressed enough that the city ultimately decides timeline by their review process.
- 12) All fees associated with obtaining a permit (impact, permit, inspection, drilling, etc.) are the responsibility of the Client/Owner. Once the technical review is complete, the Client/Owner is responsible for providing any paperwork that may be required such as maintenance bonds, indemnity agreements, etc.
- 13) Phase One Design shall be permitted to place our logo on construction site signage, and/or shall be permitted to place a standalone sign at the road front.
- 14) **Reimbursable expenses, to be charged for services listed below, are applicable to all projects where reimbursable expenses are used as a basis for payment and are not part of a fixed fee or stipulated sum.**

Hello,

Please see attached for your payment confirmation letter.

I have also included your quarterly expenditure report spreadsheet that you will use.

Below is the schedule of when quarterly reports are due. Your first quarterly report will be due **April 15, 2023**.

Quarterly Update Schedule				
Time Frame	7/1 - 9/30	10/1 - 12/31	1/1 - 3/31	4/1 - 6/30
Due Date	10/15	1/15	4/15	7/15

* Quarterly Update requirement continues until all funds have been spent.

I understand that since funds are just being received your organization may not have any expenditures to report for the first two quarters. If that is the case, you will put zeros in the expenditure section with the quarters that had no expenses.

If you have any questions or issues with the spreadsheet, please do not hesitate to reach out.

Thank you,

Subject: Disbursement Requirement: Registration with Secretary of State's Office
Date: Thursday, November 10, 2022 12:13:09 PM

Hello,

In order to process disbursements, it is a requirement for receiving organizations to register with the South Carolina Secretary of State's ("SOS") Office. This includes political subdivision ("PSD") receivers. PSD's after registering with the SC SOC's Office may either receive a registration or a registration exemption (*since they are a governmental entity subject to FOIA*). Therefore, if the:

Receiving organization has not registered or obtained an exemption from the SC SOS's office:

The receiving organization should follow the link below to complete registration or to request a registration exemption. If selecting a registration exemption, local PSDs would select exemption A(6). There is no filing fee for this application.

[Before You File Online | SC Secretary of State](#)

Upon registration or approval of the registration exemption, the receiver will receive a confirmation letter from the SC SOS's office via email. Please provide a copy of the confirmation letter to the SC Treasurer's Office so we can include it with the disbursement request.

-
Receiving organization has a registration on file with the SC SOC's Office or if a registration exemption has been granted by the SC SOC's Office:

Please use the following link to obtain confirmation of your registration or exemption:

<https://search.scsos.com/charities>

An organization that is currently registered will have a status that says "registered." An organization that is currently exempt from registration will have a status that says "exempt." Please provide a copy of the webpage showing your status to the SC Treasurer's Office so we can include it with the disbursement request.

Thank you,
Meg

RE: State Appropriated Contributions, FY 22-23 Reporting Requirements

Dear Carroll Williamson:

The State of South Carolina Fiscal Year 2022-2023 Appropriations Act provides the revenue for State government to meet its budgetary expenses. This year's Act included allocations to the Office of the State Treasurer (STO) reserved as one-time appropriations for contributions to outside organizations. The amount below indicates the funds which have been allotted in our agency's budget for your organization.

<u>Organization receiving appropriated funds:</u>	<u>Amount</u>
Town of Blythewood	\$500,000.00

Budget Proviso 117.21 outlines reporting requirements for recipients of appropriated contributions. In addition, please note that Section 11-9-110 of the South Carolina Code requires that you agree to be audited by the State Auditor. (A copy of these applicable laws is attached for your convenience.)

Please see enclosed Excel workbook for data we must collect to be able to disburse these funds. This initial report, along with other information as detailed within the Instructions, must be submitted in electronic format to STO prior to funds being dispersed. After the funds have been dispersed, you must also file quarterly reports in addition to a year-end report with STO by **June 30, 2023** via a format to be provided prior to that date. Your submissions will be forwarded to the Chairman of the Senate Finance Committee, the Chairman of the House Ways and Means Committee, and the Executive Budget Office by the STO. Per Governor McMaster's Executive Order, any and all reports, accountings, forms, updates, communications, or other materials required by Proviso 117.21 will be made available for public review and inspection on the STO website.

Please note that to be paid by the State of South Carolina, you must be a registered vendor of the State. If you are not already a registered vendor, please see <https://procurement.sc.gov/doing-biz/registration> to complete this required task. Once known, please ensure you include your State of SC vendor number on the enclosed Earmarked Appropriations Disbursement Request form when you return it to the STO.

Should you have any questions or concerns, please do not hesitate to email the Division of Treasury Management at STO.Appropriated.Contributions@sto.sc.gov. We look forward to working with you.

Sincerely,
