Good afternoon Meg,

Thank you for the update. I apologize. I misread the instructions. I thought the passage that states "This requirement does not apply to governmental entities or entities created by statute" refers to the Vendor ID requirement. I see now that it actually refers to the verification with the Secretary of State's Office requirement.

I am having a challenge in registering for a vender number. I have been with the agency for 34 years and the Finance Director has been with us for 15 years. Neither of us have any record or recollection of us having a vendor number.

I followed the link in the instructions and used the Vendor Search feature and did not see us listed. I then followed the link for vendor registration. As I submitted the information, it said that we are already registered.

It then sent me to a link for Vendor Registration Account Recovery. Unfortunately the sign-in for that section requires the organization's vendor number.

Our legal name is South Carolina Appalachian Council of Governments. I tried a few different options on the Search screen, including Appalachian\*, South\*, SC\*, and S\*. I also tried spelling out our complete name but did not find a match.

Can you please give me guidance on how to overcome this challenge.

Thank you very much,  
Steve Pelissier

Plan/Accounting of how these funds will be spent:		
Description	Budget	Explanation
<b>Appalachian Council of Governments Building Expansion</b>		The state appropriation will supplement local funds for this project
Preliminary Work, Design, Pre-Construction	\$350,000.00	Prelim. design, design, construction plans, sitework prep., permitting
Sitework, Grading	\$50,000.00	Grading and preparation of the site for construction
<b>Grand Total</b>	<b>\$400,000.00</b>	

**Please explain how these funds will be used to provide a public benefit:**

The The Appalachian Council of Governments provides a wide array of services benefitting citizens of our six-county region. Some of these services provide direct benefits to people, such as the Aging Services and Workforce Development programs. Other programs benefit citizens through partners and clients served by ACOG. These include Grants Services, Economic Development, Governmental Services, and Planning. By helping public service providers obtain grant dollars, citizens receive improved or expanded infrastructure. ACOG services to local governments help them to serve their citizens more effectively as well. ACOG's 26 year old building has become inadequate to accommodate operations. The total project budget is \$ 5.3 million. The state appropriation will supplement local funds to expand the facility. This will place the organization in a strong position to continue providing services to our region over the next 20+ years.

Good afternoon Meg,

Thank you for the update. I apologize. I misread the instructions. I thought the passage that states “This requirement does not apply to governmental entities or entities created by statute” refers to the Vendor ID requirement. I see now that it actually refers to the verification with the Secretary of State’s Office requirement.

I am having a challenge in registering for a vender number. I have been with the agency for 34 years and the Finance Director has been with us for 15 years. Neither of us have any record or recollection of us having a vendor number.

I followed the link in the instructions and used the Vendor Search feature and did not see us listed. I then followed the link for vendor registration. As I submitted the information, it said that we are already registered.

It then sent me to a link for Vendor Registration Account Recovery. Unfortunately the sign-in for that section requires the organization’s vendor number.

Our legal name is South Carolina Appalachian Council of Governments. I tried a few different options on the Search screen, including Appalachian\*, South\*, SC\*, and S\*. I also tried spelling out our complete name but did not find a match.

Can you please give me guidance on how to overcome this challenge.

Thank you very much,  
Steve Pelissier

#### Plan/Accounting of how these funds will be spent:

Description	Budget	Explanation
<b>Appalachian Council of Governments Building Expansion</b>		The state appropriation will supplement local funds for this project
Preliminary Work, Design, Pre-Construction	\$350,000.00	Prelim. design, design, construction plans, sitework prep., permitting
Sitework, Grading	\$50,000.00	Grading and preparation of the site for construction
<b>Grand Total</b>	<b>\$400,000.00</b>	

#### Please explain how these funds will be used to provide a public benefit:

The The Appalachian Council of Governments provides a wide array of services benefitting citizens of our six-county region. Some of these services provide direct benefits to people, such as the Aging Services and Workforce Development programs. Other programs benefit citizens through partners and clients served by ACOG. These include Grants Services, Economic Development, Governmental Services, and Planning. By helping public service providers obtain grant dollars, citizens receive improved or expanded infrastructure. ACOG services to local governments help them to serve their citizens more effectively as well. ACOG's 26 year old building has become inadequate to accommodate operations. The total project budget is \$ 5.3 million. The state appropriation will supplement local funds to expand the facility. This will place the organization in a strong position to continue providing services to our region over the next 20+ years.

This year's Act included allocations to the Office of the State Treasurer (STO) reserved as one-time appropriations for contributions to outside organizations. RE: State Appropriated Contributions, FY 24-25 Reporting Requirements

Dear Steven Pelissier:

The State of South Carolina Fiscal Year 2024-2025 Appropriations Act provides the revenue for State government to meet its budgetary expenses. This year's Act included allocations to the Office of the State Treasurer (STO) reserved as one-time appropriations for contributions to outside organizations. The amount below indicates the funds which have been allotted in our agency's budget for your organization.

<u>Organization receiving appropriated funds:</u>	<u>Amount</u>
SC Appalachian Council of Governments - Building Expansion	\$400,000.00

Budget Proviso 117.21 outlines reporting requirements for recipients of appropriated contributions. In addition, please note that Section 11-9-110 of the South Carolina Code requires that you agree to be audited by the State Auditor. (A copy of these applicable laws is attached for your convenience.)

Please see enclosed Excel workbook for data we must collect to be able to disburse these funds. This initial report, along with other information as detailed within the instructions, must be submitted in electronic format to STO prior to funds being dispersed. After the funds have been dispersed, you must complete quarterly spending reports until funds are fully expended. The quarterly report template will be provided at a future date. Your submissions will be forwarded to the Chairman of the Senate Finance Committee, the Chairman of the House Ways and Means Committee, and the Executive Budget Office by the STO. Per Governor McMaster's Executive Order 2022-19, any and all reports, accountings, forms, updates, communications, or other materials required by Proviso 117.21 will be made available for public review and inspection on the STO website.

Please note that to be paid by the State of South Carolina, you must be a registered vendor of the State. If you are not already a registered vendor, please see <https://procurement.sc.gov/doing-biz/registration> to complete this required task. Once registered, please ensure you include your State of SC vendor number on the enclosed Earmarked Appropriations Disbursement Request form when you return it to the STO.

In accordance with Proviso 118.20.D, funds shall not be disbursed until verification that receiver's organization is registered as a business, nonprofit, or charitable organization with the South Carolina Secretary of State's office (SOS). This requirement does not apply to governmental entities or entities created by statute. If your organization has not registered or obtained an exemption from the SC SOS's office, please follow the link below to complete registration or to request a registration exemption.
