Community centers are important for a healthy, vibrant community and can make a lasting, positive impact on the people they serve. They provide opportunities in a safe, inclusive environment and foster a culture of health and wellbeing. The space also empowers our youth and provides life-enriching programs for a livable community. Nicholtown is a growing community that values programs and spaces that enhance togetherness and community gathering. As such, its neighborhood community center needs renovations to modernize the facility and create flexible indoor and outdoor spaces. This renovation will better support the programming and events needed to meet the physical and mental wellbeing of our local citizens.
