Hey Juliette,

It looks like you used a different template for this quarterly report. There are also some areas that should be updated. I have attached the template for you to use.

- We require 2 organization contacts. In the attached template I included who was listed on the previous quarterly report. If those areas need to be updated, please feel free to do so.
- Now that you all are starting to have expenses occur, you will probably want to update what your budget/accounting section looks like. This area should provide a bit more detail than what was listed in the purpose cell. For example, some people have included the following as line items/categories: supplies/ materials, fees, design services, contractual services, rental equipment, labor, etc. and then break out the budget for each line item/category. The budget amounts can move from one line item to another as long as the total budget(D31) matches the amount awarded(A6).
- Since this is the Q4 report that is done at the end of the fiscal year, we are required to collect an explanation of any unspent funds. There are very few organizations that spend all their funds prior to June 30th so please don't worry. We know that these projects take time to plan and execute. For example, we have had organizations state that the project is still in process, that they are needing to get new quotes, waiting on supplies to come in, etc.

RE: State Appropriated Contributions, FY 24-25 Reporting Requirements

Dear Ray Funnye:

The State of South Carolina Fiscal Year 2024-2025 Appropriations Act provides the revenue for State government to meet its budgetary expenses. This year's Act included allocations to the Office of the State Treasurer (STO) reserved as one-time appropriations for contributions to outside organizations. The amount below indicates the funds which have been allotted in our agency's budget for your organization.

<u>Organization receiving appropriated funds:</u>	<u>Amount</u>
Georgetown County - Brick Chimney Road Phase II	\$1,000,000.00

Budget Proviso 117.21 outlines reporting requirements for recipients of appropriated contributions. In addition, please note that Section 11-9-110 of the South Carolina Code requires that you agree to be audited by the State Auditor. (A copy of these applicable laws is attached for your convenience.)

Please see enclosed Excel workbook for data we must collect to be able to disburse these funds. This initial report, along with other information as detailed within the instructions, must be submitted in electronic format to STO prior to funds being dispersed. After the funds have been dispersed, you must complete quarterly spending reports until funds are fully expended. The quarterly report template will be provided at a future date. Your submissions will be forwarded to the Chairman of the Senate Finance Committee, the Chairman of the House Ways and Means Committee, and the Executive Budget Office by the STO. Per Governor McMaster's Executive Order 2022-19, any and all reports, accountings, forms, updates, communications, or other materials required by Proviso 117.21 will be made available for public review and inspection on the STO website.

Please note that to be paid by the State of South Carolina, you must be a registered vendor of the State. If you are not already a registered vendor, please see <https://procurement.sc.gov/doing-biz/registration> to complete this required task. Once registered, please ensure you include your State of SC vendor number on the enclosed Earmarked Appropriations Disbursement Request form when you return it to the STO.

In accordance with Proviso 118.20.D, funds shall not be disbursed until verification that receiver's organization is registered as a business, nonprofit, or charitable organization with the South Carolina Secretary of State's office (SOS). This requirement does not apply to governmental entities or entities created by statute. If your organization has not registered or obtained an exemption from the SC SOS's office, please follow the link below to complete registration or to request a registration exemption.

RE: State Appropriated Contributions, FY 24-25 Reporting Requirements

Dear Ray Funnye:

The State of South Carolina Fiscal Year 2024-2025 Appropriations Act provides the revenue for State government to meet its budgetary expenses. This year's Act included allocations to the Office of the State Treasurer (STO) reserved as one-time appropriations for contributions to outside organizations. The amount below indicates the funds which have been allotted in our agency's budget for your organization.

<u>Organization receiving appropriated funds:</u>	<u>Amount</u>
Georgetown County - Brick Chimney Road Phase II	\$1,000,000.00

Budget Proviso 117.21 outlines reporting requirements for recipients of appropriated contributions. In addition, please note that Section 11-9-110 of the South Carolina Code requires that you agree to be audited by the State Auditor. (A copy of these applicable laws is attached for your convenience.)

Please see enclosed Excel workbook for data we must collect to be able to disburse these funds. This initial report, along with other information as detailed within the instructions, must be submitted in electronic format to STO prior to funds being dispersed. After the funds have been dispersed, you must complete quarterly spending reports until funds are fully expended. The quarterly report template will be provided at a future date. Your submissions will be forwarded to the Chairman of the Senate Finance Committee, the Chairman of the House Ways and Means Committee, and the Executive Budget Office by the STO. Per Governor McMaster's Executive Order 2022-19, any and all reports, accountings, forms, updates, communications, or other materials required by Proviso 117.21 will be made available for public review and inspection on the STO website.

Please note that to be paid by the State of South Carolina, you must be a registered vendor of the State. If you are not already a registered vendor, please see <https://procurement.sc.gov/doing-biz/registration> to complete this required task. Once registered, please ensure you include your State of SC vendor number on the enclosed Earmarked Appropriations Disbursement Request form when you return it to the STO.

In accordance with Proviso 118.20.D, funds shall not be disbursed until verification that receiver's organization is registered as a business, nonprofit, or charitable organization with the South Carolina Secretary of State's office (SOS). This requirement does not apply to governmental entities or entities created by statute. If your organization has not registered or obtained an exemption from the SC SOS's office, please follow the link below to complete registration or to request a registration exemption.

Hi Juliette,

Thank you for submitting your quarterly report. I did a quick review and noticed two areas that need to be updated.

Please select quarter 2 from the Reporting Period section's drop down.

The Description section needs to match what was listed on your disbursement request unless additional details are available then you can expand/update the area based on that information.

Please update your quarterly report and resubmit. If you have any questions, please let me know.

Happy New Year!

This is a reminder about your quarterly update that is due soon. Since this is the first report you will be submitting, please see below for some helpful notes.

Please update and submit the quarterly expenditure report to STO.Appropriated.Contributions@sto.sc.gov by the 15th of the month following the end of each quarter.

Q2 (ending 12/31/24) update due date: 1/15/25

Helpful Notes:

- Contribution Information, Organization Information, Organization Contact Information, and Secondary Organization Contact Information
 - The information in these cells should match what was listed in your approved Disbursement Request form.
 - The contact information should be updated if changes have been made since the Disbursement Request form was submitted.
- Reporting Period
 - Even though this is your first quarterly report due, this is technically the Quarter 2 report.
- Accounting of how the funds have been spent:
 - Description and Budget should match what was provided in your approved Disbursement Request form unless addition detail is needing/able to be provided.
 - Some organization knowing that they will receive the funds within the fiscal year start spending the funds July 1. If that occurred, you would put the expenses that occurred during the July 1 to September 30 time frame in the Quarter 1 column, and the expenses that occurred October 1 to December 31 in Quarter 2 column.
 - If no expenses have occurred since July 1, please put zeros in both Quarter 1 and Quarter 2 columns.
 - If funds are provided to subgrantees and/or affiliated non-profits, a description of how they are sending the funds is required per the proviso.
- Explanation of any unspent funds
 - Only needs to be completed on the Q4 report at the end of each fiscal year.

If you have any questions, please do not hesitate to reach out to me.

Meg — Can you please confirm whether the attached ACH is for this Proviso (Prov.117.21, BRICK CHIMNEY ROAD, PHASE 2) or a different one. The Invoice number seems to reference PROV118.2018, so I am just trying to confirm we are recording everything appropriately.
