Explanation of any unspent funds (to be provided only if unspent funds remain at the end of the fiscal year):

The wellness center will provide a location for citizens of Bishopville to have access to a gym and more. There is nothing like this at the moment, and it is very much needed. The benefits would include boosted health, community togetherness, and a huge impact on downtown development and people interacting with each other. The depot will serve as a new and exciting event destination for Bishopville. At this time, the wellness center is still taking in bids for construction.

Expenditure Certification

The Organization certifies that the funds have been expended in accordance with the Plan provided to the Agency Providing the Distribution and for a public purpose.
