Hey Cyndi,

I was just about to email you and tell you to please disregard the email. I had sent it before I had made it through to your other email with the report. Thank you for sending the report again!

I completely understand things being busy/crazy. I am right there with you! I did listen to your voicemails, and I will send you a reply to them in a separate email shortly. I am trying to keep FY23 emails and FY25 emails separate for tracking purposes.

"Hi Meg, this is Cindy Goronski calling from the town of Winsborough. I'm working on the STO report for the earmark. And I have a quick question. I just want to make sure I handle this right. I have a building purchase that exceeds the remaining amount of money we have in that line item. So do I just put in what fits and roll it over into the next quarter or is there another procedure for that? It just started to buy buildings and it's timing with these reports poorly so I just wanted to know how to proceed. You have my phone number and my email. At your convenience could you get back to me? Thank you."

MESSAGE:

"Hi, good afternoon Meg. This is Cindy Goronski from the town of Winsborough. I wanted to let you know I got that quarterly update sent to you just before I apologized for the delay. It's been a little crazy and I don't know how to explain it, but I apologize. In regards to a third one that's coming through the State House, I can't really start it yet because nobody's given me the parameters of how we're going to spend that money. So I can't fill the form out, but honestly I didn't think it would be due to this one. I think the first one would be due next quarter, but I wanted to verify that with you. So if you could just shoot me an email and call me back at this phone number at your convenience. That would be wonderful. Thank you."

Hello Meg,

I'm not sure what happened here. I completed that report on 7/12/24 and would swear I had emailed it to you, yet it's not in my sent items. So, I truly apologize for the delay; I thought it had been sent to you.

After this goes through, I am sending up the start-up paperwork for another allocation of funds.

Thanks,

Sincerely,

Cyndi Gawronski

“ The Town is attaining properties as fast as possible. We have been starting our renovations on one purchase now. Other vacant building possibilities for sale are in discussions still, so this is why we haven’t spent more of the earmarked funding yet.”

I hope that works, Meg!

Sorry for the slight delay!

Hello Meg and Happy New Year!

I'll have that report sent up to you this week. While a building purchase is underway, at this time, utilizing this funding, it won't be completed by the time of my report. So, I won't be inputting those details yet. I wanted you to not be alarmed at another zero in drawn funds.

My Town Manger had a question for me, that I am going to direct to you, as a start. We were informed verbally last year that we were going to receive another \$500,000 through our Rep. Annie. E. McDaniel. Are you able to give me any information on this funding? Thanks in advance.

Sincerely,

Cyndi Gawronski

Yes you can. I had some organizations do that for their Q2 report. Your reporting period would be Quarter 3 for your first report, but you can put amounts that you spent towards the projects that may have occurred in Q1 and Q2 in their respective columns.

Hi Cyndi,

I wanted to let you know that I saw that the block had been removed.

I will be using vendor number 700003331 for payment. That vendor number is the used by many agencies to make payments to the Town of Winnsboro.

I will contact the CG's Office to have them update the physical address and to have them send login information for that account to you all. Is there a particular email address that the information should be sent to?

If you have any questions, please let me know.

Thank you Cyndi! I checked this morning, and it does not look to be removed at this time. I would recommend contacting the Department of Revenue to check with them to see if there is anything additional is outstanding and to see when they will remove the block. I will also keep an eye on it to see if I see it removed. If I see it removed, I will let you know.

I did a quick review and wanted to check on some things.

Based on that vendor number, payment would be sent via check, but the address is slightly different than the address on the disbursement request form(screenshots 1 and 2). I used your tax ID number to see what other vendor numbers were listed and noticed that the original vendor number you had stated back on January 4th (7000033331) is signed up for electronic payment and appears to be a better match(screenshot 3). Can you please confirm what the correct address is? If there is a PO Box and a physical address, please let me know what both are.

Hi Cyndi,

I wanted to let you know that I saw that the block had been removed.

I will be using vendor number 700003331 for payment. That vendor number is the used by many agencies to make payments to the Town of Winnsboro.

I will contact the CG's Office to have them update the physical address and to have them send login information for that account to you all. Is there a particular email address that the information should be sent to?

If you have any questions, please let me know.

Thank you Cyndi! I checked this morning, and it does not look to be removed at this time. I would recommend contacting the Department of Revenue to check with them to see if there is anything additional is outstanding and to see when they will remove the block. I will also keep an eye on it to see if I see it removed. If I see it removed, I will let you know.

Hello again Meg,

We had no idea what this could be! HR found one \$525 item due, that was in the process of being contested. We paid it! In case this is the Levy you found. We could find nothing else outstanding due to the State. I have no idea how fast you can see that the Levy is lifted. I'll send you any documentation I can get once it is acknowledged as paid and released.

Thank you for your patience with us. -Cyndi

I did a quick review and wanted to check on some things.

Based on that vendor number, payment would be sent via check, but the address is slightly different than the address on the disbursement request form(screenshots 1 and 2). I used your tax ID number to see what other vendor numbers were listed and noticed that the original vendor number you had stated back on January 4th (7000033331) is signed up for electronic payment and appears to be a better match(screenshot 3). Can you please confirm what the correct address is? If there is a PO Box and a physical address, please let me know what both are.

While I was looking at the vendor numbers though I noticed that they all are currently blocked due to a State Levy. I would recommend having your organization reaching out to the Department of Revenue to have this resolved prior to us moving forward in the payment process.

Subject: Disbursement Requirement: Registration with Secretary of State's Office

Hello,

In order to process disbursements, it is a requirement for receiving organizations to register with the South Carolina Secretary of State's ("SOS") Office. This includes political subdivision ("PSD") receivers. PSD's after registering with the SC SOC's Office may either receive a registration or a registration exemption (*since they are a governmental entity subject to FOIA*). Therefore, if the:

Receiving organization has not registered or obtained an exemption from the SC SOS's office:

The receiving organization should follow the link below to complete registration or to request a registration exemption. If selecting a registration exemption, local PSDs would select exemption A(6). There is no filing fee for this application.

[Before You File Online | SC Secretary of State](#)

Upon registration or approval of the registration exemption, the receiver will receive a confirmation letter from the SC SOS's office via email. Please provide a copy of the confirmation letter to the SC Treasurer's Office so we can include it with the disbursement request.

-

Receiving organization has a registration on file with the SC SOC's Office or if a registration exemption has been granted by the SC SOC's Office:

Please use the following link to obtain confirmation of your registration or exemption:

<https://search.scsos.com/charities>

An organization that is currently registered will have a status that says "registered." An organization that is currently exempt from registration will have a status that says "exempt." Please provide a copy of the webpage showing your status to the SC Treasurer's Office so we can include it with the disbursement request.

Thank you,
Meg

Hi Cyndi,

I wanted to let you know that I saw that the block had been removed.

I will be using vendor number 700003331 for payment. That vendor number is the used by many agencies to make payments to the Town of Winnsboro.

I will contact the CG's Office to have them update the physical address and to have them send login information for that account to you all. Is there a particular email address that the information should be sent to?

If you have any questions, please let me know.

Subject: Disbursement Requirement: Registration with Secretary of State's Office

Hello,

In order to process disbursements, it is a requirement for receiving organizations to register with the South Carolina Secretary of State's ("SOS") Office. This includes political subdivision ("PSD") receivers. PSD's after registering with the SC SOC's Office may either receive a registration or a registration exemption (*since they are a governmental entity subject to FOIA*). Therefore, if the:

Receiving organization has not registered or obtained an exemption from the SC SOS's office:

The receiving organization should follow the link below to complete registration or to request a registration exemption. If selecting a registration exemption, local PSDs would select exemption A(6). There is no filing fee for this application.

[Before You File Online | SC Secretary of State](#)

Upon registration or approval of the registration exemption, the receiver will receive a confirmation letter from the SC SOS's office via email. Please provide a copy of the confirmation letter to the SC Treasurer's Office so we can include it with the disbursement request.

-

Receiving organization has a registration on file with the SC SOC's Office or if a registration exemption has been granted by the SC SOC's Office:

Please use the following link to obtain confirmation of your registration or exemption:

<https://search.scsos.com/charities>

An organization that is currently registered will have a status that says "registered." An organization that is currently exempt from registration will have a status that says "exempt." Please provide a copy of the webpage showing your status to the SC Treasurer's Office so we can include it with the disbursement request.

Thank you,
Meg

I did a quick review and wanted to check on some things.

Based on that vendor number, payment would be sent via check, but the address is slightly different

than the address on the disbursement request form(screenshots 1 and 2). I used your tax ID number to see what other vendor numbers were listed and noticed that the original vendor number you had stated back on January 4th (7000033331) is signed up for electronic payment and appears to be a better match(screenshot 3). Can you please confirm what the correct address is? If there is a PO Box and a physical address, please let me know what both are.

While I was looking at the vendor numbers though I noticed that they all are currently blocked due to a State Levy. I would recommend having your organization reaching out to the Department of Revenue to have this resolved prior to us moving forward in the payment process.

Hello again Meg,

We had no idea what this could be! HR found one \$525 item due, that was in the process of being contested. We paid it! In case this is the Levy you found. We could find nothing else outstanding due to the State. I have no idea how fast you can see that the Levy is lifted. I'll send you any documentation I can get once it is acknowledged as paid and released.

Thank you for your patience with us. -Cyndi

Thank you Cyndi!

I did a quick review and wanted to check on some things.

Based on that vendor number, payment would be sent via check, but the address is slightly different than the address on the disbursement request form(screenshots 1 and 2). I used your tax ID number to see what other vendor numbers were listed and noticed that the original vendor number you had stated back on January 4th (7000033331) is signed up for electronic payment and appears to be a better match(screenshot 3). Can you please confirm what the correct address is? If there is a PO Box and a physical address, please let me know what both are.

While I was looking at the vendor numbers though I noticed that they all are currently blocked due to a State Levy. I would recommend having your organization reaching out to the Department of Revenue to have this resolved prior to us moving forward in the payment process.

Hello,

In order to process disbursements, it is a requirement for receiving organizations to register with the South Carolina Secretary of State's ("SOS") Office. This includes political subdivision ("PSD") receivers. PSD's after registering with the SC SOC's Office may either receive a registration or a registration exemption (*since they are a governmental entity subject to FOIA*). Therefore, if the:

Receiving organization has not registered or obtained an exemption from the SC SOS's office:

The receiving organization should follow the link below to complete registration or to request a registration exemption. If selecting a registration exemption, local PSDs would select exemption A(6). There is no filing fee for this application.

Hello Meg,

I'm awaiting the Town manager to get back in to show him this. I have no clue as to what this situation is about or why.

I was never able to access Vendor 700003331, so I created a new entry from scratch. No one knows who created that older one or what department it was created for. I hope to get the older one deleted out of that system.

All of our mail goes to a PO Box (209). Our physical location is 207 N. Congress Street, Winnsboro, SC 29180. All of our business cards have both options printed on them.

Our Town Manager, Jason, is out in the field somewhere now. I'm bringing this to his attention first ASAP.

I will keep you posted as fast as possible.

Sincerely,
Cyndi Gawronski

Subject: Disbursement Requirement: Registration with Secretary of State's Office

Hello,

In order to process disbursements, it is a requirement for receiving organizations to register with the South Carolina Secretary of State's ("SOS") Office. This includes political subdivision ("PSD") receivers. PSD's after registering with the SC SOC's Office may either receive a registration or a registration exemption (*since they are a governmental entity subject to FOIA*). Therefore, if the:

Receiving organization has not registered or obtained an exemption from the SC SOS's office:

The receiving organization should follow the link below to complete registration or to request a registration exemption. If selecting a registration exemption, local PSDs would select exemption A(6). There is no filing fee for this application.

[Before You File Online | SC Secretary of State](#)

Upon registration or approval of the registration exemption, the receiver will receive a confirmation letter from the SC SOS's office via email. Please provide a copy of the confirmation letter to the SC Treasurer's Office so we can include it with the disbursement request.

-

Receiving organization has a registration on file with the SC SOC's Office or if a registration exemption has been granted by the SC SOC's Office:

Please use the following link to obtain confirmation of your registration or exemption:

<https://search.scsos.com/charities>

An organization that is currently registered will have a status that says "registered." An organization that is currently exempt from registration will have a status that says "exempt." Please provide a copy of the webpage showing your status to the SC Treasurer's Office so we can include it with the disbursement request.

Thank you,
Meg

Thank you Cyndi!

I did a quick review and wanted to check on some things.

Based on that vendor number, payment would be sent via check, but the address is slightly different than the address on the disbursement request form(screenshots 1 and 2). I used your tax ID number to see what other vendor numbers were listed and noticed that the original vendor number you had stated back on January 4th (7000033331) is signed up for electronic payment and appears to be a better match(screenshot 3). Can you please confirm what the correct address is? If there is a PO Box and a physical address, please let me know what both are.

While I was looking at the vendor numbers though I noticed that they all are currently blocked due to a State Levy. I would recommend having your organization reaching out to the Department of Revenue to have this resolved prior to us moving forward in the payment process.

RE: State Appropriated Contributions, FY 22-23 Reporting Requirements

Dear Jason Taylor:

The State of South Carolina Fiscal Year 2022-2023 Appropriations Act provides the revenue for State government to meet its budgetary expenses. This year's Act included allocations to the Office of the State Treasurer (STO) reserved as one-time appropriations for contributions to outside organizations. The amount below indicates the funds which have been allotted in our agency's budget for your organization.

<u>Organization receiving appropriated funds:</u>	<u>Amount</u>
Town of Winnsboro - Main Street Revitalization	\$500,000.00

Budget Proviso 117.21 outlines reporting requirements for recipients of appropriated contributions. In addition, please note that Section 11-9-110 of the South Carolina Code requires that you agree to be audited by the State Auditor. (A copy of these applicable laws is attached for your convenience.)

Please see enclosed Excel workbook for data we must collect to be able to disburse these funds. This initial report, along with other information as detailed within the Instructions, must be submitted in electronic format to STO prior to funds being dispersed. After the funds have been dispersed, you must also file quarterly reports in addition to a year-end report with STO by **June 30, 2023** via a format to be provided prior to that date. Your submissions will be forwarded to the Chairman of the Senate Finance Committee, the Chairman of the House Ways and Means Committee, and the Executive Budget Office by the STO. Per Governor McMaster's Executive Order, any and all reports, accountings, forms, updates, communications, or other materials required by Proviso 117.21 will be made available for public review and inspection on the STO website.

Please note that to be paid by the State of South Carolina, you must be a registered vendor of the State. If you are not already a registered vendor, please see <https://procurement.sc.gov/doing-biz/registration> to complete this required task. Once known, please ensure you include your State of SC vendor number on the enclosed Earmarked Appropriations Disbursement Request form when you return it to the STO.

Should you have any questions or concerns, please do not hesitate to email the Division of Treasury Management at STO.Appropriated.Contributions@sto.sc.gov. We look forward to working with you.

Sincerely,

Meg Romaniello | Accounting/Fiscal Manager II

Hello,

In order to process disbursements, it is a requirement for receiving organizations to register with the South Carolina Secretary of State's ("SOS") Office. This includes political subdivision ("PSD") receivers. PSD's after registering with the SC SOC's Office may either receive a registration or a registration exemption (*since they are a governmental entity subject to FOIA*). Therefore, if the:

Receiving organization has not registered or obtained an exemption from the SC SOS's office:

The receiving organization should follow the link below to complete registration or to request a registration exemption. If selecting a registration exemption, local PSDs would select exemption A(6). There is no filing fee for this application.

Upon registration or approval of the registration exemption, the receiver will receive a confirmation letter from the SC SOS's office via email. Please provide a copy of the confirmation letter to the SC Treasurer's Office so we can include it with the disbursement request.

Receiving organization has a registration on file with the SC SOC's Office or if a registration exemption has been granted by the SC SOC's Office:

Please use the following link to obtain confirmation of your registration or exemption:

An organization that is currently registered will have a status that says "registered." An organization that is currently exempt from registration will have a status that says "exempt." RE: State Appropriated Contributions, FY 22-23 Reporting Requirements

Dear Jason Taylor:

The State of South Carolina Fiscal Year 2022-2023 Appropriations Act provides the revenue for State government to meet its budgetary expenses. This year's Act included allocations to the Office of the State Treasurer (STO) reserved as one-time appropriations for contributions to outside organizations. The amount below indicates the funds which have been allotted in our agency's budget for your organization.

<u>Organization receiving appropriated funds:</u>	<u>Amount</u>
Town of Winnsboro - Main Street Revitalization	\$500,000.00

Budget Proviso 117.21 outlines reporting requirements for recipients of appropriated contributions. In addition, please note that Section 11-9-110 of the South Carolina Code requires that you agree to be audited by the State Auditor. (A copy of these applicable laws is attached for your convenience.)

Please see enclosed Excel workbook for data we must collect to be able to disburse these funds. This initial report, along with other information as detailed within the Instructions, must be submitted in electronic format to STO prior to funds being dispersed. After the funds have been dispersed, you must also file quarterly reports in addition to a year-end report with STO by **June 30, 2023** via a format to be provided prior to that date. Your submissions will be forwarded to the Chairman of the Senate Finance Committee, the Chairman of the House Ways and Means Committee, and the Executive Budget Office by the STO. Per Governor McMaster's Executive Order, any and all reports, accountings, forms, updates, communications, or other materials required by Proviso 117.21 will be made available for public review and inspection on the STO website.

Please note that to be paid by the State of South Carolina, you must be a registered vendor of the State. Hello,

In order to process disbursements, it is a requirement for receiving organizations to register with the South Carolina Secretary of State's ("SOS") Office. This includes political subdivision ("PSD") receivers. PSD's after registering with the SC SOC's Office may either receive a registration or a registration exemption (*since they are a governmental entity subject to FOIA*). Therefore, if the:

Receiving organization has not registered or obtained an exemption from the SC SOS's office:

The receiving organization should follow the link below to complete registration or to request a registration exemption. If selecting a registration exemption, local PSDs would select exemption A(6). There is no filing fee for this application.

[Before You File Online | SC Secretary of State](#)

Upon registration or approval of the registration exemption, the receiver will receive a confirmation letter from the SC SOS's office via email. Please provide a copy of the confirmation letter to the SC Treasurer's Office so we can include it with the disbursement request.

-
Receiving organization has a registration on file with the SC SOC's Office or if a registration exemption has been granted by the SC SOC's Office:

Please use the following link to obtain confirmation of your registration or exemption:

<https://search.scsos.com/charities>

An organization that is currently registered will have a status that says "registered." An organization that is currently exempt from registration will have a status that says "exempt." Please provide a copy of the webpage showing your status to the SC Treasurer's Office so we can include it with the disbursement request.

Thank you,
Meg
